Re: In the Matter of the Self Complaint of Vectren Energy Delivery of Ohio,
Inc. regarding Its Pooling Service Tariffs and Application of Commission
Rules Concerning Customer Information, Case No. 17-2284-GA-SLF

Dear Ms. McNeal:

The Attorney Examiner established today as the deadline for filing initial comments in the above self-complaint matter. The Retail Energy Supply Association will not file initial comments and it reserves the right to file reply comments under the schedule that has been set by the Attorney Examiner.

The Retail Energy Supply Association appreciates the issue that Vectren Energy Delivery of Ohio, Inc. faces and notes that, if an entity is not engaged in the competitive retail natural gas service market, it should not have access to sensitive customer information.

Very truly yours,

/s/ Gretchen L. Petrucci
