4/26/2018 8:28:24 AM	We were made aware about 2 weeks ago that there could be a wind turbine, possibly 2, within a 1/4 of a mile of our home in Bloom Township. I am concerned about the safety of the turbines, throwing ice, blades, etc., our health from the turbines due to shadow flicker, noise, not to mention wildlife dangers and well water damage and a reduction in our home value. I would like exact coordinates of the planned turbines. We were shown a map at the informational meeting the wind turbine company was required to have, it was blurry and vague at best.
