**SUBJECT:** Aqua Ohio Inc - Protest Rate Case

Please docket the attached comments in the case number above.

I am asking you to please deny this rate increase request. Just 2 years ago Aqua was given a substantial rate increase and nothing has changed with quality or service for anyone who is forced to use this company. There is nothing with Aqua that is worth 3 Times what residents in surrounding areas such as, Columbus, Groveport, Canal Winchester, Whitehall, Pickerington and so on, are paying. This area is a low to low middle class area who cannot take another increase for water that most will not even drink. Many of us are seniors living on minimal funds now. Please, please deny this proposal.

- Anyone using this service is already paying 3 times the amount for water as is the norm in ohio. Plus they just had an increase for maintenance 2 years ago.
