DOCKETING CASE #: 18-0337-WW-SIC

SUBJECT: Aqua Ohio Inc - Protest Rate Case

Please docket the comments in the case number above:

Aqua is currently planning another rate increase and I seriously disagree with this. Their water is already incredibly overpriced as it is compared to many other places in the area and nationwide. Also, the water quality is incredibly poor. Even using a filter, this water has a bad taste to it. It leaves white residue on everything. There is no excuse that I can image that justifies the price we pay for water with quality this poor.
