Petition to Ohio Power Siting Board re: 16-253-GA-BTX

The undersigned oppose the installation of Duke's Central Corridor Gas Pipeline Extension Project, whose proposed routes would affect Cincinnati, Blue Ash, Amberley, Reading, Deer Park, Kenwood, Madeira, Norwood, Pleasant Ridge, Evendale, Golf Manor, and other communities.

The undersigned respectfully request the following:

- 1) OPSB staff conducts a critical and thorough review of Duke's entire application and supplements for both completeness and accuracy.
- 2) Citizens be given the opportunity to ask questions and express concerns via another information meeting and public hearing. Citizens also request that decision makers from OPSB be present during the public hearing.
- 3) Citizens be given adequate time to understand the supplemental materials and the original materials in light of Duke's significant changes to the application.
