Application of Commission Rules)	
Concerning Customer Information)	

**REPLY COMMENTS ON BEHALF OF
VECTREN ENERGY DELIVERY OF OHIO, INC.**

In accordance with the Commission's March 28, 2018 Entry in this proceeding, Vectren Energy Delivery of Ohio, Inc. (VEDO or the Company) offers its reply comments.

Three parties submitted comments or correspondence in response to the March 28 Entry: the Office of the Ohio Consumers' Counsel (OCC), Ohio Partners for Affordable Energy (OPAE), and the Retail Energy Supply Association (RESA). None of the parties, who represented both consumer and supplier interests, indicated opposition to VEDO's tariff provisions or the Company's interpretation of its tariff or the Commission's rules. All of them appear to agree that customer information, such as the eligible customer list, should not be provided to an entity that is not engaged in the provision of competitive retail natural gas service to customers. (*See* OCC Comments at 10; OPAE Comments at 3; RESA Correspondence at 1.)

These comments support the relief requested in VEDO's self-complaint, namely, that the Commission should answer the three questions posed by VEDO in the negative and find that reasonable grounds for complaint have not been stated with respect to VEDO's provision of service. (*See* Complaint at 10.) Given that no party has either opposed VEDO's request or disputed the allegations in the complaint, VEDO believes that a hearing is not required and that the complaint may be dismissed.

Dated: May 7, 2018

Respectfully submitted,
