RE: In the Matter of Hardin Wind Energy LLC, Case No. 18-677-EL-BGA

Dear Ms. McNeal:

Pending before the Ohio Power Siting Board (the "OPSB") is Mid-Ohio Energy Cooperative, Inc.'s ("Mid-Ohio") Petition for Leave to Intervene in the above-captioned proceeding.

On May 11, 2018, Hardin Wind Energy LLC ("Hardin Wind") filed a supplement to its application for a Fifth Amendment (the "Application") to the OPSB's March 22, 2010 Opinion, Order, and Certificate in Case No. 09-479-EL-BGN regarding a proposed wind-powered electric generation facility to be located in Hardin County (the "Wind Farm"). Hardin Wind's supplement clarified its commitment to comply with the OPSB's August 29, 2011 order to, among other things, assess, at least 30 days prior to construction, the Wind Farm's potential impacts to any of Mid-Ohio's microwave paths or system known to be operating within the Wind Farm area, and to provide a copy of such assessment to Mid-Ohio and the OPSB staff for review and acceptance.

Although Mid-Ohio wishes to participate in the above-captioned proceedings as an intervenor, given Hardin Wind's representations, Mid-Ohio has no opposition to Hardin Wind's current Application.

Very truly yours,

/s/ Philip B. Sineneng
