DP&L Rate Proceeding Case no. 15-1830-EL-AIR

Dear Chairman Hague:

I am writing to express my support for Dayton Power & Light in its current rate proposal. DP&L is an integral part of our community, playing a critical role in driving economic development, supporting local organizations and enhancing the overall quality of life. I believe DP&L has taken a fair approach with a reasonable rate increase that ensures reliable service and rate stability.

DP&L has been working with The Foodbank for nearly two decades and is a dedicated partner in our efforts to relieve hunger across the Miami Valley.

- Most recently, The Dayton Power & Light Foundation supported The Foodbank's produce drive-thru market pantry, helping to ensure that working families and seniors with mobility issues can easily access healthy food
- In 2015, The Foundation helped The Foodbank build a pollinator garden, sustaining habitats for endangered pollinators
- Every year, Dayton Power & Light employees participate in one of our largest community-wide food drives, Food For Friends, providing vital shelf-stable food for local families in need

We are fortunate to be one of many organizations benefiting from the involvement of DP&L employees and Foundation. Across our community, you'll find Dayton Power & Light employees actively engaged, serving on non-profit boards, volunteering for community events and making the Miami Valley a great place to work, live, and play!

The company and the DP&L Foundation reinvest in all the communities it serves to contribute

to the overall quality of life in our region. With a history of helping the Miami Valley grow for over 100 years, DP&L is a partner we have come to depend upon.

In Leadership and Service,

Michelle L. Riley
