**MOTION TO INTERVENE AFTER TIME  
SUBMITTED ON BEHALF OF  
THE PUBLIC UTILITIES COMMISSION OF OHIO**

---

The Public Utilities Commission of Ohio (PUCO) respectfully moves, pursuant to 18 C.F.R. Section 385.214, to intervene as a party in this proceeding after the filing date established in this case. The later intervention occurs because a typographical error occupied. This error caused the intervention to be submitted erroneously in ER18-135 on March 29, 2018 instead of this case as intended. This error was only recognized today.

2. The Public Utilities Commission of Ohio is the state regulatory agency charged in Ohio with economic and other regulatory powers over electric utilities in Ohio all of whom are members of PJM. Ohio Revised Code Title 49. The Public Utilities Commission of Ohio is, therefore, a state commission as defined in the Federal Power Act and in the Commission's Rules of Practice and Procedure. 18 C.F.R. § 1.101(k) (2012).
3. As several utilities that are subject to Public Utilities Commission of Ohio regulatory control are participants in the Ohio Valley Electric Corporation, the issues in this case may have a significant impact on the ability of the Public Utilities Commission of Ohio's ability to carry out its statutory obligations regarding the electricity markets in the State of Ohio. Therefore, the PUCO respectfully requests intervention herein.
4. The PUCO is willing to take the record as it is and no party could be prejudiced by the grant of intervention at this early date before any settlement discussions have been initiated.

Respectfully submitted,

/s/ Thomas W. McNamee
