## **MEMORANDUM IN SUPPORT**

Pursuant to Rule 4901:2-7-12, Ohio Adm. Code, the Staff served Munir Najjar (“Respondent”) with a Notice of Preliminary Determination (NPD) regarding the Respondent’s failure to retain the previous seven days record of duty status in violation of 49 C.F.R. § 395.8(k)(2) and falsifying a report of his record of duty status in violation of 49 C.F.R. §395.8(e). Staff intended to assess a \$250.00 forfeiture for the violations as noticed in the NPD. On February 2, 2018, Michael Yemc, attorney for Respondent, filed a request for an Administrative Hearing. On April 12, 2018, the Attorney Examiner issued an Entry scheduling this matter for hearing on June 20, 2018. On June 14, 2018 Respondent made full payment of the \$250.00 forfeiture that Staff requested in the NPD. After payment was received by the Public Utilities Commission of Ohio (Commission), Counsel for Staff contacted Counsel for the Respondent who confirmed that the Respondent did not want to continue the proceedings in this. Likewise, Rule 4901:2-7-22, Ohio Adm. Code, provides that full payment constitutes an admission to the violation and shall terminate further proceedings.

Accordingly, Staff requests that the Commission terminate any further proceedings due to Respondent’s full payment of the forfeiture that was assessed by Staff in the NPD.

Respectfully submitted,

Attorney General
