**Re: Republic Wind, LLC**  
**Case No. 17-2295-EL-BGN**

Dear Ms. Turkenton and Ms. McNeal:

This letter serves to provide clarification to the Ohio Power Siting Board (“Board”) to correct a recently discovered error in the Republic Wind, LLC’s (“Applicant”) application for its proposed wind farm (“Facility”) filed on February 2, 2018 as accepted and deemed complete by the Board on May 15, 2018.

Under Section 4906-4-02(A)(2) of the Application, Description of the Facility, Applicant inadvertently listed Green Creek Township (Sandusky County) as being included in the project area. The first sentence should be revised to state “The Project Area consists of approximately 35,000 acres of private land in Adams, Pleasant, Reed, Scipio, and Thompson Townships (Seneca County) and York Township (Sandusky County).” Green Creek Township is not included in the project area.

The Applicant respectfully requests that the Board consider this letter of clarification as part of the application for its proposed wind farm.

Sincerely,

Devin D. Parram
