**Re: Constellation Energy Gas Choice, LLC  
Case No. 02-1773-GA-CRS  
Intent to Not Renew Certificate**

Dear Secretary:

Constellation Energy Gas Choice, LLC ("CEGC") hereby provides the Public Utilities Commission of Ohio ("PUCO") notice that it does not intend to renew its retail natural gas marketer certificate which is set to expire August 16, 2018. This is not an abandonment as CEGC no longer has any contracts, customers or offers any services in Ohio. CEGC requests removal from the list of certificate suppliers.

Please note CEGC assigned their customers to its affiliate, Constellation NewEnergy – Gas Division, LLC. CEGC provided PUCO notice of assignment on June 5, 2017 of the approximately 35,700 residential and small business customer contracts being Columbia Gas of Ohio, Dominion East Ohio, Duke Energy and Vectren Energy Delivery of Ohio. CEGC appreciates the opportunity it has had to serve the Ohio retail natural gas market.

Should you have any questions or need further information please contact me at 312-681-1855 or email at [Amy.Klaviter@constellation.com](mailto:Amy.Klaviter@constellation.com).

Sincerely,

Amy Klaviter
