CASE NO. 18-85-GA-BLN
L#2925 REPLACEMENT PROJECT PHASE II (2018)
STARK AND SUMMIT COUNTIES, OHIO
PIPELINE REPLACEMENT PROJECT

The following information is being provided in compliance with Condition No. 1 of the March 1, 2018 Ohio Power Siting Board (“OPSB”) Staff Report of Investigation, and as agreed to by Dominion Energy Ohio’s (“DEO”) Supplement to Construction Notice filed March 1, 2018.

Condition No. 1 states:

DEO shall submit to Staff, for review and confirmation that it complies with this condition, a project construction plan that provides the specific locations of its laydown areas and *is responsive to ODNR concerns* about state listed species and ecological areas of significance. If the specific laydown locations chosen appear to have additional adverse impacts, the Applicant shall either propose different specific locations without such impacts, or refile its application.

DEO has now selected its construction contractor CPro Development Inc. (“CPro”) has selected a staging area that is located at Mazzagatti Farms, 614 West Comet Road, Clinton Summit County, Ohio as shown on the map below. The area is upland mowed field with no environmental concerns.
