## MEMORANDUM IN SUPPORT

On May 2, 2018, a Service Notice was issued to Complainant regarding a hearing to be held before the Commission on June 28, 2018. On June 27, 2018, Complainant retained the undersigned firm as counsel.

After being retained, counsel for Complainant immediately contacted counsel for Respondent Ohio Power Company ("Respondent") for purposes of requesting a continuance and engaging in settlement discussions. Complainant's counsel also notified Respondent's counsel that he would be unable to represent Complainant at said hearing due to a previously scheduled hearing in the Franklin County Common Pleas Court. Respondent's counsel confirmed that Respondent did not object to a continuance; however, the parties have not yet had an opportunity to engage in settlement negotiations. In addition, both counsel individually discussed the request for continuance with Attorney Examiner L. Douglas Jennings via telephone.

In view of the foregoing, it is respectfully requested that the Hearing currently scheduled for June 28, 2018 be continued for at least 30 days to July 30, 2018 or another date that will be convenient for Complainant and Respondent.

Respectfully submitted,

/s/ Christian H. Brill
