Dear Solo Energy Solutions Corporation,

This is a notice from Public Utilities Commission of Ohio that our records indicate that Certificate #17-1239E has not filed a 2017 Annual Report. **You have five days left until a $1,000 forfeiture will be assessed for non-compliance!** The Commission has ordered you to file your annual report by July 6, 2018 and directed a $1,000 civil forfeiture against those companies who fail to file, pursuant R.C. 4905.54. (Case No. 18-01-AU-RPT, finding and order June 6, 2018).

Companies must register to gain access to the PUCO Community and file the 2017 annual report. Please call (614) 466-6904 to register.

File your annual report: Please immediately log in into our new online filing system in the PUCO Community at https://community.puco.ohio.gov/, and click on Mandatory Reports to start your annual report filing.

If you do not believe your company is required to file an annual report this year: Each regulated entity will be required to file a 2017 annual report for each certificate or operating authority held that was effective at any time during the 2017 calendar year, even if the entity did not conduct operations in Ohio.

Need access to file the annual report on the PUCO Community? Please call (614) 466-6904 or email RegisterForAccess@puco.ohio.gov to have access provided to your PUCO Community profile.
