Re: In the Matter of the Report of Duke Energy Ohio, Inc.) Case No. 15-6001-EL-RDR
Concerning Its Economic Competitiveness Rider) Case No. 89-6002-EL-TRF

Dear Docketing Division:

Enclosed for filing are the following unredacted tariffs to be filed in the above-referenced cases.

- Sheet No. 105.10 Rider DR-ECF Economic Competitiveness Fund Rider - August
- Sheet No. 105.11 Rider DR-ECF Economic Competitiveness Fund Rider - September

The Rider DR-ECF tariff sheet that was previously filed in Case No. 15-6001-EL-RDR on April 27, 2018 contained an incorrect rate. The tariff sheet became effective on June 1, 2018.

The purpose of this filing is to establish the correct Rider DR-ECF rate beginning with August 2018 bills. The August 2018 tariff also includes a credit component to refund the excess Rider DR-ECF revenues that were collected during June and July 2018. Beginning with September 2018 billing, the correct annual Rider DR-ECF rate will go into effect.

Please feel free to contact me should you have any questions.

Respectfully submitted,

Dianne Kuhnell
