### Electric Aggregation Enrollment Notification

**Dear Resident or Small Business,**

Welcome to your community's electric aggregation program which provides you with exclusive pricing on the electric generation portion of your electric bill. This is possible through governmental aggregation, a community purchasing program where community officials use group buying power to purchase electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio. This program was approved by voters in your community in March 2012.

#### How You Benefit

By participating in this aggregation program, you will receive the following exclusive pricing on your electric generation:

	Your Electric Utility	Fixed Price	Term End	Early Termination Fee
<b>Residential</b>	AEP - Ohio Power	4.89 cents per kWh	May 2020	None
<b>Small Business</b>	AEP - Ohio Power	4.89 cents per kWh	May 2020	None

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., has been selected by your community to provide your electric generation. If you're not already participating, this is your chance to join. If you're already participating, this is your opportunity to continue the benefits of the program.

#### Same Reliable Service

Your electric utility will continue to maintain the system that delivers power to your home or business – no new poles or wires will be built by FirstEnergy Solutions. You will continue to receive a single, easy-to-read bill from your local electric utility with your FirstEnergy Solutions charges included. There is no cost for enrollment, you will not be charged a switching fee, and **you do not need to do anything to participate.**

#### Enrollment Information

If you are not currently receiving electric generation from FirstEnergy Solutions, your electric utility will send you a letter confirming your selection of FirstEnergy Solutions as your electric generation provider. As required by law, this letter will inform you of your option to cancel your contract with FirstEnergy Solutions within seven days of its postmark. To become a member of the community's electric governmental aggregation program, you don't need to take any action when this letter arrives. If you are currently enrolled in the community's aggregation program, you will not receive a letter from your electric utility.

#### Opt-Out Information

If you are a new member of the program, your future bills will reflect the electric price listed above from FirstEnergy Solutions after your enrollment has been completed and your switch has been finalized – approximately 30-45 days, depending upon your meter read date. Of course, you are not obligated to participate in the community's electric governmental aggregation program. If you do not want to participate in your community program, you have until the opt-out deadline to return the attached "opt-out" form below. If you do not opt out at this time and leave the program at a later date, you might not be served under the same rates or terms and conditions that apply to other customers served by your utility. Once enrolled, you will receive a notice at least every three years asking if you wish to remain in the program. If you leave the program at any other time, you could be subject to the early termination fee listed above.

Please refer to the enclosed Terms and Conditions and FAQs for more information. Your community has selected FirstEnergy Solutions to handle questions regarding your community-approved electric aggregation program. If you have any questions, please call FirstEnergy Solutions toll-free at 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

Sincerely,

**Village of Fredericktown**

## Electric Governmental Aggregation Program FAQs v.11.17

### **How is my community able to choose a certified electric generation supplier on my behalf?**

Under governmental aggregation, local officials bring citizens together to gain group buying power for the purchase of competitively priced electricity from a retail electric generation supplier certified by the Public Utilities Commission of Ohio (PUCO). Residents voted to allow the community to contract for an electric generation supplier on their behalf.

### **What do I need to do if I want to be included in this governmental aggregation?**

You do not need to do anything to receive the discounted generation pricing under this program. You may choose to remain in the aggregation group by simply not returning the opt-out form.

### **Is my price for power fixed, or does it vary?**

The information in your letter states if your price is fixed, variable, or variable based on a tiered pricing structure. If you have a fixed price, the price you will receive each month does not change. With a variable price, the discount you will receive each month does not change. But because the actual price per kWh charged by the utility may change each month (based on the season and your usage), the price per kWh from FirstEnergy Solutions will also change each month. If you receive a variable price, based on a tiered pricing structure, your initial price will remain consistent each month through the meter-read date of the first tier outlined in your Agreement's Terms & Conditions. At that time, your price will change but then remain consistent each month for the rest of your Agreement.

### **How will I know if I can save money under the electric governmental aggregation program?**

You'll know you are saving money as long as your price with FirstEnergy Solutions is lower than your utility's Price to Compare (PTC). To estimate your savings on a % off discount, locate the PTC on your electric bill. Divide your PTC by 100, then multiply it by the % discount (ex: 6% = 0.06) to determine your savings per kWh. Multiply this by your total monthly usage for an average monthly savings estimate.

### **If I am already a member of this program, why am I receiving this letter?**

As a current member of your community's electric governmental aggregation program, you are given the opportunity to opt out of the program at least every three years at no charge. Your previous contract with FirstEnergy Solutions is coming to an end, and this is your opportunity to either opt out or continue the benefits of the program.

### **What does "opt out" mean?**

"Opt-out" means that you can decide not to participate in your community's electric governmental aggregation program. By returning the opt-out form, which is included in

this mailing, by the Opt-Out Deadline you will not be enrolled as an electric generation customer with FirstEnergy Solutions, your community's competitive electric generation supplier, and you will not receive the discount.

### **What happens if I do not send in the opt-out form?**

If you do not return the opt-out form by the Opt-Out Deadline, you will be included in your community's governmental aggregation program and will receive competitively priced electricity from FirstEnergy Solutions.

### **Can I opt out over the phone?**

No, if you want to opt out, you must mail in your completed opt-out form and it must be received by the Opt-Out Deadline.

### **Can I opt out of the program at a later date?**

Yes, you may leave the aggregation program at any time.

### **What are my energy supply choices if I decide to opt out?**

You can stay with your current electric utility, which will continue to supply your electric generation as it always has, or you can shop for an alternative generation supplier. A list of competitive electric suppliers certified by the PUCO and their current prices are available by calling 1-800-686-PUCO (1-800-686-7826).

### **If I join the aggregation, will FirstEnergy Solutions continue to budget bill my supplier charges?**

Yes. Toledo Edison, The Illuminating Company, Ohio Edison and Duke Energy include supplier charges in the monthly budgeted amount. Budget billing supplier charges is limited in AEP Ohio's and DP&L's service areas. Please call 1-866-636-3749, if you have questions regarding budget billing in your area.

### **Can I still have my payment automatically deducted from my checking account as I do now?**

Yes. How you pay your electric bill will not change.

### **If I join my community's governmental aggregation program, who will deliver my power, read my meter and respond to emergencies, such as power outages?**

Your electric utility will still be responsible for delivering power to your home or business, reading your meter and restoring power after an outage.

### **Who is FirstEnergy Solutions?**

FirstEnergy Solutions, a subsidiary of FirstEnergy Corp., is a leading competitive supplier of energy to residential, commercial and industrial customers in Ohio, Pennsylvania, New Jersey, Maryland, Illinois and Michigan.

### **What is the toll-free number for questions?**

If you have any questions, please call 1-866-636-3749, Monday through Friday, 8 a.m. to 5 p.m.

**FirstEnergy Solutions Corp. - Residential & Small Commercial Terms and Conditions**

These Terms and Conditions apply to you because you are enrolling for electric generation service with FirstEnergy Solutions Corp. ("FES") through either (a) affirmative consent or (b) not opting out of your community aggregation program. If you enroll by affirmative consent, these Terms and Conditions and the enrollment information on the website are your agreement ("Agreement"). If you choose to remain in the community aggregation program by not "opting-out" or exercising the right of rescission these Terms and Conditions and your opt-out notification are your Agreement. Please keep a copy of this Agreement for your records.

FES is certified by the Ohio Public Utility Commission ("PUCO") to offer and supply electric generation services in Ohio. As a Competitive Retail Electric Service ("CRES") provider, FES will supply the electric generation to your Electric Distribution Utility (EDU) based on your usage. Your EDU then distributes or delivers the electricity to you. FES sets the generation prices and charges that the customers pay. The PUCO regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

**DEFINITIONS**

**Generation Service** – The production of electricity.

**Transmission Service** – Moving high voltage electricity from a generation facility to the distribution lines of an Electric Distribution Utility ("EDU").

**Distribution Service** – Physical delivery of electricity to customers by EDU.

**RIGHT OF RESCISSION**

If you do not opt-out or you give your affirmative consent and are enrolled to receive generation service from FES, your EDU will send you a confirmation letter. You will have the right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDU will not send a confirmation notice upon any renewal of this Agreement. Should you choose to opt-out of your community's program, you will be served by your EDU's standard service offer established pursuant to section

4928.14 of the Ohio Revised Code unless you choose an alternate supplier of electricity.

**TERMS AND CONDITIONS OF SERVICE**

1. **Eligibility.** Only eligible residential customer accounts not enrolled in the Percentage of Income Plan Program (PIPP) and eligible small commercial customers may enroll in this offer from FES. FES reserves the right to refuse enrollment to any customer with an outstanding electric bill balance.
2. **Basic Service Prices.** During the term of this Agreement, you agree to pay FES for a total combined bypassable transmission, generation, and transmission and generation related charges. You will be billed at 4.89 cents per KWh per billing month. FES reserves the right to unilaterally modify this billing format in the event the EDU is unable or unwilling to provide consolidated

billing in this format or changes the calculation of the Price to Compare ("PTC"). Your PTC consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to FES.

3. **Length of Agreement.** As a part of your community's program, your service from FES will commence with the next available meter reading and after processing of the enrollment by your EDU, and will continue through May 2020, ending on the meter read for the last month of service. The program may be terminated prior to the term or modified due to unforeseen regulatory action, or pursuant to the terms of the master agreement between FES and your community for the aggregation program. Customer and FES agree that any such regulatory action is a force majeure event. Should the program be terminated, you will be returned to your EDU's standard service offer or its successor. In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, Independent Service Operator ("ISO"), Regional Transmission Organization ("RTO") or other service provider, or any change in operating procedure, alters to the detriment of FES its costs to perform under this Agreement, FES may pass through to Customer such costs or revise the pricing under this Agreement to eliminate the impact of such changes. If any of the above situations occur, FES may offer you new terms for this Agreement, in which case you will receive notification(s) from FES. You must indicate your acceptance of the new terms as specified in the notices. If you do not contact FES to accept the new terms, this Agreement will terminate on the date specified in the notices, and you may be returned to your EDU for Retail Electric Service. Alternatively, FES may decide to terminate this Agreement, and you will receive at least 30 days' prior written notice of the termination, after which you may be returned to your EDU for Retail Electric Service. Whether FES offers you new terms or terminates this Agreement under this provision, you will not be responsible for the cancellation/termination fee (if any) set forth in Paragraph 6 below. You must still pay all FES charges through the date you are returned to your EDU or switched to another CRES provider for service.
4. **Billing.** You will continue to receive a single bill from your EDU that will contain both your EDU and FES charges. If you do not pay your bill by the due date, FES may cancel this Agreement after giving you a minimum of fourteen (14) days written notice. Upon cancellation you will be returned to your EDU as a customer. You will remain responsible to pay FES for any electricity used before this Agreement is cancelled, as well as any late payment charges. If you have 12 months of billing history and you are enrolled in budget billing with the EDU, you can enroll in a budget billing program once per year. At the end of the contract term, you are responsible for payment of any outstanding balance upon final contract true up. FES reserves the right to adjust your monthly budget amount prior to final contract true up. If you enroll in budget billing, then choose not

to be in the program or if you become two consecutive monthly payments overdue, you will be removed from budget billing, your account will be reconciled, and you will be billed for the outstanding budget balance on your next billing cycle.

5. **Penalties, Fees and Exceptions.** If you do not pay the full amount owed FES by the due date of the bill, FES may charge a 1.5% per month late payment fee.
6. **Cancellation/Termination Provisions.** If this Agreement is not rescinded during the rescission period, enrollment will be sent to your EDU. You may terminate this Agreement, without penalty, if you move out of the EDU service territory or into an area where FES will charge a different price. *There will be a \$0.00 charge for each residential EDU account and a \$0.00 charge for each commercial EDU account if you terminate this Agreement for any other reason, except as expressly provided herein.* Upon termination with FES and return to standard offer service with your EDU, you may not be served under the same rates, terms, and conditions that apply to other EDU customers.
7. **Customer Consent and Information Release Authorization.** By choosing not to opt-out of your community's aggregation program, or to affirmatively join it, you understand and agree to the terms and conditions of this Agreement with FES. You authorize FES to obtain information from the EDU that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. FES reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by FES following acceptance of your enrollment request by FES, the end of the 7 day rescission period and subsequent acceptance of the enrollment by your EDU.
8. **Contract Expiration.** At least every three years, you will be given the opportunity to opt-out of your community's aggregation program at no cost. You are responsible for arranging for your electric supply upon termination of this Agreement.
9. **Dispute Procedures.** Contact FES with any questions concerning the terms of service by phone at 1-888-254-6359 (toll-free) M-F 8AM – 5PM EST or in writing at 341 White Pond Drive, Attn: Contract Administration, Akron, OH 44320.
