**Staff Review and Recommendation for**  
**Case No. 12-1134-GA-CRS**

By Entry dated June 1, 2018, the certification application of North American Power and Gas LLC was suspended in order to give the Commission additional time to consider the application. The applicant required additional time and review of the managerial capabilities involving sales methods and monitoring of compliance issues. All clarified actions of the competitive retail natural gas supplier (CRNGS) are noted and will be monitored during the certification period. North American Power and Gas LLC has provided additional information and after review, the Staff recommends that the certification application of North American Power and Gas LLC should be approved.
