Subject: RE: OPSB-ContactUs

We do wish press our opposition to this project because of the damage it will do to our field drainage and the size of the towers.

These are not the people we originally signed with, the contract has been sold several times.

>COMMENTS: Our contract expires Aug 20th we do not plan to renew. Today we received a registered letter from spower general counsel saying "This letter is to inform you that, pursuant to Section 2.1(a) of the lease, Seneca Wind LLC does hereby exercise its option to proceed to construction and begin the construction phase," Todays date is 08/18/18. Do they have this right since you have not approved it?
