Re: Case Nos. 15-1716-EL-BGN and 15-1717-EL-BTX

Dear Mr. O'Dell:

As you are aware, South Field Energy held a preconstruction conference on July 31, 2018, related to the certificates of environmental compatibility and public need issued in the above-referenced cases. Regarding the construction that was the subject of our conference, that construction has commenced and initial mobilization at the site began on August 27, 2018.

Please call me or Amy Frazier, Vice President and Associate General Counsel, Advanced Power Services (NA) Inc. at 617-456-2209 if you have any questions regarding this correspondence.

Very truly yours,

/s/ Michael J. Settineri
