Re: NTE Ohio, LLC, OPSB Case No. 14-534-EL-BGN

Dear Ms. McNeal:

The November 24, 2014, Opinion, Order, and Certificate ("Certificate") approving NTE Ohio, LLC ("NTE") Certificate of Environmental Compatibility and Public Need to Construct the Middletown Energy Center established a set of conditions as part of the Certificate.

Within this set of conditions, **Condition No. 22** requires that:

The Applicant shall restrict public access to the facility with appropriately placed warning signs or other necessary measures.

This letter confirms that NTE has installed a security gate, and has posted warning signs at the site entrance along with signs around the perimeter.

Please contact me if you have any questions regarding this matter.

Sincerely,

Sally W. Bloomfield
