Re: Case No. 16-1871-EL-BGN, In the Matter of the Application of Icebreaker Windpower Inc. for a Certificate to Construct a Wind-Powered Electric Generation Facility in Cuyahoga County, Ohio.

Proof of Publication in Compliance with the August 1, 2018 Entry

Dear Ms. McNeal:

In accordance with August 1, 2018 Entry issued by the Ohio Power Siting Board's Administrative Law Judge, Icebreaker Windpower Inc. published and served notice of the adjudicatory hearing. Attached please find a copy of the proof of publication attesting that notice was published in *The Plain Dealer*, a newspaper of general circulation in Cuyahoga County, on September 14, 2018.

We are available, at your convenience, to answer any questions you may have.

Respectfully submitted,

/s/ Christine M.T. Pirik

Notice of Proposed Wind-Powered Utility Facility

Icebreaker Windpower, Inc., filed an application with the Ohio Power Siting Board for a certificate to construct, operate, and maintain a wind-powered electric generation facility in Lake Erie, Cuyahoga County (Case No. 16-1871-EL-BGN). The energy generated will deliver power to the existing Cleveland Public Power electric grid at the 138-kilovolt Lake Road Substation. The proposed facility is a 6-turbine demonstration wind facility 8-10 miles off the shore of Cleveland, Ohio, located on approximately 4 acres of leased land, with a total generating capacity of 20.7 megawatts. An approximately 11.8-mile long transmission cable route would transmit the electricity to the mainland substation. The purpose of Icebreaker Wind would be to demonstrate the use of offshore wind energy in a freshwater environment. The project would generate renewable power that emits no air or climate pollutants and no mercury.

Two local public hearings, where the OPSB accepted written or oral testimony from any person, were held in Cleveland on November 8, 2017, and July 19, 2018. Public notice regarding the proposed facility for the local public hearings was published in The Plain Dealer. The adjudicatory hearing was rescheduled to commence on August 6, 2018. However, the adjudicatory hearing has since been rescheduled to commence on September 24, 2018, at 10:00 a.m., 11th floor, Hearing Room 11-A, at the offices of the Public Utilities Commission of Ohio, 180 E. Broad St., Columbus, OH 43215.
