4. Codes, Violation Groups, and Forfeiture Amounts

"Code" in this notice identifies the rule that was violated. "Violation Group" identifies the numerical group (1-4) of the violation for purposes of calculating the civil forfeiture. Section 4923.99, Ohio Revised Code, authorizes the Public Utilities Commission of Ohio to assess a civil forfeiture of up to \$25,000 for each day of each violation. Inspection Notes: Activated lights to stop for inspection just E of SR269 S. Driver failed to pull over for inspection and continued driving with right side tires going over the white fog line at least three separate times. I got up beside the cab and observed driver with his cell phone in his right hand and moving his thumb over the screen. Drivers head was looking down at the phone and when he finally looked up he saw me beside him. I then motioned with my hand for him to pull over. Driver pulled to the right berm at the exit ramp for US6 W. I asked driver what he was doing with his phone or if he was texting. Driver replied he was looking up directions to a truck stop. I informed driver he needed to pull off to the side so he could safely use his phone whether to make a call, text, or even look up directions. Not seeing me for approx 1.5 miles and drifting out of a marked lane created an unsafe situation.
