ATTORNEY EXAMINER: Good morning.
This is Jim Lynn, I am the Attorney Examiner
presiding today. And I have numerous members
of our Staff here as well.

We are here for a workshop
concerning Case Nos. 18-1187-EL-ORD, In the
Matter of the Commission's Review of Rules for
Alternative Dispute Resolution. And that
concerns Ohio Administrative Code Chapter
4901-1-26.

We are also here for workshop
concerning Case No. 18-1192-EL-ORD, Greenhouse
Gas Reporting and Carbon Dioxide Control
Planning. That is Ohio Administrative Code
Chapter 4901-1-41.

The purpose of the workshop is to
hear feedback on the rules concerning those two
chapters, Alternative Dispute Resolution and
Greenhouse Reporting, Carbon Dioxide Control
Planning.

First of all I will note for the
record that presently there are only two

non-staff persons in the room and they both told me they are just here to observe and hear any comments that are made; that they have no comments to make themselves.

For the time being we will go off the record and I will make a few comments when we resume. Thank you.

(RECESS TAKEN)

ATTORNEY EXAMINER: Back on the record. No one has shown up for comments, so I will just say thank you all for attending. We will draw this part of the process to a close and once we receive in writing what the Staff is suggesting for any changes to the rules those will go out in an entry which can be commented on in writing later on.

So thank you again for attending. Have a good afternoon.

(At 1:45 P.M. the hearing was concluded)
