Exhibit B-1 "Jurisdictions of Operation:"

Lincoln Energy Group LLC is certified, licensed, registered or otherwise authorized to provide retail or wholesale electric services including aggregation services in the state of Illinois and the state of Pennsylvania.

Exhibit B-2 "Experience and Plans:"

Lincoln Energy Group LLC employs energy brokerage professionals from our corporate headquarters in Chicago Illinois. Lincoln Energy Group LLC is not a retail energy supplier, rather we are offering a service to customers to help conduct RFPs, solicit offers and make the best and most informed decisions regarding their energy procurement needs. Due to the fact that we are a broker/consultant we do not take title of electricity and will not be invoicing any customers for electricity consumption. We have full time customer service personnel on staff if such a need may arise for our customers in Ohio regarding customer inquiries and complaints. The founders of Lincoln Energy Group LLC each have over 16 years of experience in the deregulated energy industry. Founded in December 2006 Lincoln Energy Group works with a majority of all major certified retail energy suppliers. Since the formation of Lincoln Energy Group the company has grown into one of Illinois largest energy procurement firms helping customers in all industry segments. Mr. Bernstien is a graduate from Tulane University Suma Cum Laude with a degree in Finance. Mr. Hutton is a graduate of Southern Methodist University with degrees in Economics and English Literature. Both Mr. Bernstien and Mr. Hutton are well known and respected industry veterans in the energy procurement and services business.
