FILE Request for an Administrative Hearing

To Whom it May Concern,

I would like to request an Administrative hearing. My case number is OH3246010471D.

I received a violation for using a hand-held mobile telephone while operating a CMV. (392.82A1) I do have cell phone records that prove I was not using my cell phone during this time but instead I was resting my hand against my head.

This violation is not something I want lingering on my driving record when this is not something I did.

I have already set up a conference call to which it ended with no resolution.

Please accept this as my request to move forward with an Administrative Hearing.

Thank you,

Kevin E. Jones
