OHIO REVISED CODE AND DIRECTING THE
HAMILTON COUNTY BOARD OF ELECTIONS TO
SUBMIT A BALLOT QUESTION TO THE ELECTORS,
AND DECLARING AN EMERGENCY.**

WHEREAS, The Ohio Legislature has enacted natural gas deregulation which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate automatically, pursuant to Section 4929.26 of the Ohio Revised Code, subject to opt-out provisions, competitive retail natural gas service for the retail gas loads located in their respective jurisdictions and to enter into service agreements to facilitate the sale and purchase of the service for the natural gas loads; and

WHEREAS, Such legislative authorities may exercise such authority individually or jointly with any other legislative authorities; and

WHEREAS, Governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of natural gas deregulation through lower natural gas rates which they would not otherwise be able to have individually; and

WHEREAS, This Council seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4929.26 of the Ohio Revised Code (the "Aggregation Program"), for the residents, businesses and other natural gas consumers in the Village of Evendale, Ohio, individually or in conjunction jointly with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law; and

WHEREAS, This Council desires to proceed with the submission of the question to the electors of the Village of Evendale; now therefore,

BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF EVENDALE, STATE OF OHIO, six members concurring, that:

SECTION 1: This Council finds and determines that it is in the best interest of the Village of Evendale, its residents, businesses and other natural gas consumers located within the corporate limits of the Village of Evendale to establish the Aggregation Program in Evendale. Provided that this Ordinance and the Aggregation Program is approved by the electors of Evendale pursuant to Section 2 of this Ordinance, the Village of Evendale is hereby authorized to aggregate automatically in accordance with Section 4929.26, Ohio Revised Code, and subject to the opt-out requirements of Division (D) of Section 4929.26, competitive retail natural gas service for the retail natural gas loads located within the Village of Evendale, and, for that purpose, to enter into service agreements to facilitate for these loads the sale and purchase of service for the natural gas loads. The Village of Evendale may exercise such authority individually or jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using a natural gas load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Ordinance.

SECTION 2: The Board of Elections of Hamilton County is hereby directed to submit the following question to the electors of Village of Evendale at the primary election on May 4, 2010,

Shall the Village of Evendale have the authority to aggregate the retail natural gas loads located in the Village of Evendale, and for that purpose enter into service agreements to facilitate for

those loads the purchase and sale of natural gas, such aggregation to occur automatically except where a person affirmatively elects not to participate in the aggregation program, all in accordance with Section 4929.26 of the Ohio Revised Code, and Ordinance #10-03 adopted by Village Council?

YES

NO

SECTION 3: Upon the approval of a majority of the electors voting at the general election provided for in Section 2 of this Ordinance, this Council individually or jointly with any other political subdivision, shall develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Council shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the Village. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Council shall aggregate any natural gas load located within the Village unless it in advance clearly discloses to the person owning, occupying, controlling, or using the natural gas load that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt out of the program every two years, without paying a switching fee. Any such person that opts out of the Aggregation Program pursuant to the stated procedure shall default to the natural gas company providing distribution service for the person's retail gas load, until the person chooses an alternative supplier.

SECTION 4: Upon passage of this ordinance, the Village Clerk is instructed immediately to file a certified copy of this Ordinance and the proposed form of the ballot question with the County Board of Elections not less than seventy-five (75) days prior to May 4, 2010. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Ordinance and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4929.26 of the Ohio Revised Code.

SECTION 5: This Council finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

SECTION 6: This ordinance is hereby declared to be an emergency ordinance by a concurrence of 6 members of Council. It is necessary to preserve the public peace, order, safety, health or welfare of the Village of Evendale, or to provide for the daily operation of a department or office of the Village of Evendale. Public Notice: Public Hearing on the Village of Evendale's Natural Gas Aggregation Program Plan of Operation and Coordination

The Village of Evendale will hold two public hearings on the Village of Evendale's Natural Gas Aggregation Program Plan of Operation and Coordination. The hearings will be held on Tuesday, October 12, 2010, at 10:00 a.m. and 7:00 p.m. Both meetings to be held at Evendale Municipal Building, Council Chambers, 10500 Reading Road, Evendale, OH 45241.

In May, 2010, the Village of Evendale voters passed Natural Gas Aggregation, which authorized the Village to form a governmental natural gas aggregation for the purchase of natural gas on behalf of the Village of Evendale residents. The Village of Evendale shall submit its aggregation Plan of Operation for Natural Gas Aggregation to the Public Utilities Commission pursuant to the Public Utilities Code, Ohio law. The Village of Evendale shall develop an aggregation program following the procedures set forth in Ohio Revised Code Section 4928.20.

Integrus Energy Services, Inc. (Integrus) is the contract aggregating for the retail natural gas service provider to the aggregation. Subject to the final approval of the Village of Evendale Council, the Village of Evendale will enter into a Natural Gas Aggregation Supply Agreement with a certified supplier. Pricing for the program may provide a fixed rate or a variable rate for eligible customers that provides more price certainty and stability than the rates currently offered by Duke Energy. The offer is estimated to begin in January of 2011.

Eligible customers (Duke Energy customers) to be included in the Village's aggregation will be included unless they opt-out. All customers eligible to be included in the Village's aggregation will receive a separate mailing for the program notifying them of their right to opt-out. The Notice will fully explain the rates, terms and conditions and general information regarding the program. If a customer does not wish to be included in the program, the customer will have 21 days to opt-out of the program free of charge by returning an enclosed post card or calling a toll-free telephone number.

New customers moving in the Village of Evendale will be included in the aggregation unless they exercise their right to opt-out of the aggregation. Customers

PLAN OF OPERATION AND GOVERNANCE

Natural Gas Governmental Aggregation

Introduction. On May 4, 2010, a majority of the voters in The Village of Evendale, Hamilton County, OH, approved a referendum that authorized The Village of Evendale (the "Village") to pursue Automatic Governmental Aggregation. After the Village held two public hearings on the matter, as prescribed by Section 4929.26 of the Ohio Revised Code, the Board of Trustees approved this Plan of Operation and Governance, prepared in accordance with Section 4901:1-28-03 of the Ohio Administrative Code. Once certified as a Governmental Aggregator, the Village will be authorized to combine multiple retail natural gas customer loads within its geographic boundaries (the "Aggregation") for the purpose of arranging for the purchase of natural gas supply in Ohio's competitive retail natural gas market.

Governmental Aggregation Services. The Village, as a Governmental Aggregator, will serve as purchasing agent for the Aggregation. As purchasing agent, the Governmental Aggregator shall (i) select a Competitive Retail Natural Gas Supplier ("Supplier") to supply the Aggregation, (ii) negotiate the terms of supply between the Supplier and each Aggregation participant, and (iii) oversee the enrollment procedures administered by the Supplier.

The Contract. The supply contract negotiated by the Governmental Aggregator for the Aggregation (the "Contract") shall be for firm, all-requirements supply. Each Aggregation participant will be individually bound to the Supplier by the terms of the Contract, and will be solely responsible for payment and performance. The natural gas supply charges for the Aggregation are included in the Contract that will be negotiated by the Governmental Aggregator. The natural gas supply charges will take the form of either a fixed price or a variable price. All natural gas supply charges will be fully and prominently disclosed in consumer enrollment materials (such as the Opt-out Notice), available on the Supplier's website, and available by calling the Supplier's toll free customer service telephone number.

Eligibility, Opt-out Disclosures, and Pooling Accounts. Section 4901:1-28-05 of the Ohio Administrative Code requires Duke Energy-Ohio (the "Utility") to use its best efforts to provide the Governmental Aggregator with an account list of eligible customers, including the names, account numbers, and service and mailing addresses for all eligible customers residing within the Governmental Aggregator's boundaries. The following customers are not eligible: customers on the Percentage of Income Payment Plan (PIPP), customers that have past due amounts owing to the Utility, customers that are already under contract with a competitive retail natural gas supplier, and mercantile customers. Using this list of eligible accounts, the Supplier, with the assistance of the Governmental Aggregator, will review the list to verify that the eligible accounts are located within the geographic limits of the Village and that an area within the Village's boundaries has not been inadvertently filtered from the list.

The Supplier, with assistance from the Governmental Aggregator, will prepare and mail an "Opt-out Notice" to each account identified as (i) eligible by the Utility and (ii) within the geographical limits of the Village by the Governmental Aggregator and the Supplier, within thirty (30) days of receipt of the list from the Utility. The Opt-out Notice will inform the eligible account holder that the Governmental Aggregator is forming an automatic (or "Opt-out") aggregation, provide the price for the natural gas supply to the Aggregation and other terms and conditions of service, and explain how the account holder can decline participation in the Aggregation. As

required by 4901:1-28-04 of the Ohio Administrative Code, the Opt-out Notice will indicate that the account holder has 21 days to affirmatively respond by telephoning a toll-free number or returning a postcard to the Supplier that is included in the Opt-out Notice.

The Supplier will receive all Opt-out requests and adjust the eligible account list accordingly. In addition, if any Opt-out Notices that are returned by mail to the Supplier marked as undeliverable, those accounts are removed from the eligible account list as well. Upon completion of the 21 day Opt-out period, the Supplier will notify the Utility of the remaining accounts that will form the Aggregation, and through an electronic data interchange transaction, enroll the Aggregation. Upon enrollment, each participant will receive an enrollment notice from the Utility that will indicate that the enrollee may rescind its participation in the Aggregation by contacting the Utility within seven (7) business days.

In addition to the initial 21-day Opt-out period, each participant will be provided an opportunity to opt-out every two (2) years without paying an early termination fee.

Billing. Aggregation participants will receive a single, monthly bill from the Utility, which will include charges from the Supplier for its natural gas supply, as well as the Utility distribution charges. Aggregation participants will be billed according to their Utility billing cycle.

Credit, Collections and Deposits. The Utility's credit and collection policy and policies regarding deposits will apply to the Aggregation participants and shall be administered by the Utility. Neither the Governmental Aggregator, nor the Supplier will implement additional policies with respect to credit, deposits and collections.

Concerns and Complaints. Aggregation participants will have multiple means of expressing concerns and reporting complaints. As a general rule, concerns regarding service reliability and billing should be directed to the Utility. The Utility will continue to read meters, handle billing, and generally have the most information about the physical service to a location or account. Questions regarding the administration of the Aggregation should be directed to the Supplier. The Supplier's customer service center is available by telephone 24 hours per day, 7 days per week. Any unresolved disputes should be directed to the Public Utilities Commission of Ohio and/or the Ohio Consumers Council. As a convenience, below is a list of helpful toll free telephone numbers.

The Supplier will attempt to resolve all customer complaints in a timely and good faith manner. The Supplier shall investigate and provide a status report to the customer when the complaint is made directly to them and/or the Village within three (3) business days following receipt of the complaint. Or in the case of a Public Utilities Commission of Ohio ("PUCO") complaint the

Supplier will investigate and provide a status report to the customer and PUCO staff within three (3) business days following receipt of the complaint. If an investigation into a complaint received from the customer or a complaint referred by the PUCO is not completed within ten (10) business days, then a status report will be given to the customer, and, if applicable, the PUCO. These status reports will be given every three (3) business days until the investigation is complete, unless the action that must be taken takes longer than three (3) business days and the customer has been notified. Final results of a Commission-referred complaint will be provided to the PUCO either orally (phone) or in writing (e-mail, written correspondence), no later than three (3) business days after the investigation is completed. The final results will be provided in writing to the customer no later than three (3) business days after the investigation is completed. Customers retain the right to contact the PUCO regarding complaints and disputes. All customers have the right to contact the PUCO by writing to Public Utilities Commission of Ohio, ATTN: IAD, 180 E. Broad St., Columbus, OH 43215-3793; by fax to (614) 752-8351; through their website at www.puc.state.oh.us or by calling toll free (800) 686-7826 (VOICE) or (800) 686-1570 (TTY-TDD). Records of customer complaints will be retained for two (2) years after the occurrence of the complaint. A copy of the complaint record will be provided to the PUCO within three (3) business days, if requested.

Moving within the Village. Aggregation participants that move from one location to another within the Village boundaries and retain the same account number will remain an Aggregation participant and will receive the same price they would have received if their location had not moved.

Aggregation participants who move from one location to another within the Village boundaries and are assigned a new account number may enroll their new account in the Aggregation and receive the same price as they would have received if their location had not moved, provided the new account is eligible for Aggregation. Participants who move and receive a new account number may be dropped from the Aggregation by the Utility, but they will not be charged an early termination fee from the Supplier. If a participant is dropped from the Aggregation due to a move within the Village, the participant should contact the Supplier to be re-enrolled.

Moving outside of the Village. Aggregation participants who move out of the Village boundaries will no longer be eligible to participate in the Aggregation, but they will not be charged an early termination fee from the Supplier.

Enrolling after the Opt-out Period. Residential and small business accounts located within the Village's boundaries that are eligible to join the Aggregation, but initially chose to Opt-out of the Aggregation, or otherwise weren't included in the Aggregation, may join the Aggregation after the expiration of the applicable Opt-out Period by contacting the Supplier. The rate for those joining the Aggregation after the expiration of the Opt-out Period may be different from the rate negotiated for the Aggregation by the Governmental Aggregator.

In the event that the Supplier is able to offer to newly eligible customers the same price that is provided to the current Aggregation participants, the Supplier may refresh the Aggregation by providing those who move in to the Village the opportunity to be included automatically, rather than waiting until the next pricing term of the Contract. The process for refreshing the Aggregation with new enrollments would follow the process noted above for determining eligibility, providing Opt-out Notices, and pooling the accounts. (Current Aggregation participants and those who

previously declined participation would not receive the Opt-out Notice intended only for newly eligible customers.)

Natural Gas Aggregation Opt-Out Frequently Asked Questions

Q: What is aggregation?

A: Under governmental aggregation, local officials bring the community together for group purchasing power. The community benefits by receiving competitively-priced natural gas from a retail natural gas supplier certified by the Public Utilities Commission of Ohio.

Q: How is my community able to choose a certified natural gas supplier on my behalf?

A: Residents voted to allow the community to negotiate a contract with a natural gas supplier on their behalf.

Q: How do I enroll?

A: Eligible residential or small business customers will be automatically enrolled.

Q: Who is eligible for the aggregation program?

A: Most residential and small business customers residing within the community receiving natural gas from the local utility are eligible (local utilities include: Dominion East Ohio Gas, Columbia Gas of Ohio, Vectren Energy Delivery of Ohio, and Duke Energy Ohio).

Q: Who is not eligible?

A: Residential and business customers who are not eligible for automatic enrollment in the program include:

- A customer that is not located within community boundaries.
- Percentage of Income Payment Program (PIPP) customers.
- A customer who is under contract with another natural gas provider.
- A customer who has a special contract with the natural gas utility company.
- Customers who are behind on their payments to the utility.
- A mercantile customer that has not provided consent to join the program. "Mercantile customer" means a commercial or industrial customer if the natural gas consumed is for non-residential use and the customer consumes more than 500 Mcf per year or is part of a national account involving multiple facilities in one or more states.

Q: Does it cost to enroll?

A: No. Constellation does not charge any enrollment or switching fees.

Q: When will I see my new rate?

A: You can expect to see the new rate one to two billing cycles following your enrollment in the program. Please note: supply rates do not include taxes, delivery service charges or other utility fees.

Q: Who will bill me for natural gas?

A: You will continue to receive one monthly bill from your local utility.

Q: Can I still have my payment automatically deducted from my checking account as I do now?

A: Yes, how you pay your natural gas bill will not change.

Q: Who is responsible for delivery of natural gas to my home or business?

A: Your local utility company will continue to deliver natural gas to your home or business.

Q: Who do I call if I have a problem with my natural gas service?

A: To report service problems, a gas leak and for billing questions, contact your local utility company.

Q: What if I have already selected another supplier?

A: Based on the records provided by the utility, we assumed you are not with another supplier. However, if you recently signed up with a new supplier, carefully review the terms and conditions of that agreement before proceeding as your ability to terminate early with that supplier may be restricted.

Q: Is there an early termination fee for leaving the program outside of the 21 day opt-out period?

A: No, there is no early termination fee.

Q: Who do I contact if I have additional questions about this offer?

A: If you have additional questions about the program, please contact Constellation.

GENERAL TERMS AND CONDITIONS

Generally the words "you" and "your" refer to the Customer and the words "we" and "us" refer to Constellation, unless the context clearly requires otherwise.

1. Purchase and Sale of Natural Gas. If you do not "opt-out" by Month X, 2016 pursuant to these General Terms and Conditions (the "Agreement"), you will purchase from us on an exclusive basis, and we will take all reasonable action to supply or cause to be supplied, all of your natural gas requirements at the price and for your accounts ("Account(s)"). Pursuant to the Agreement, you authorize us to (i) enroll your Account(s) with your Utility so that we can supply the Account(s), (ii) aggregate your Account(s) with those of other customers of Constellation or its affiliates, (iii) request and receive usage and other information from your Utility with respect to the Account(s) and (iv) enter into agreements with your Utility as necessary under the Utility's tariff to facilitate supply of the Account(s). You agree to cooperate with Constellation to ensure enrollment of your Account(s) in a timely manner. You give us the authority to choose the source of your natural gas supply. Your Utility will continue to deliver your natural gas and provide billing and other services to you. You acknowledge that such transportation service is subject to regulations set forth in your Utility's tariff. **Supply of natural gas under this Agreement is conditioned upon (1) our verification of the accuracy of all information that you provide to us, including information regarding your natural gas usage and the Account(s) and (2) acceptance of enrollment of your Account(s) by the Utility.**

2. Term. This term of the Agreement is effective when enrollment occurs with the Utility with Constellation as your natural gas supplier, subject to your rescission right set forth under "Customer's Rescission Right" below. Subject to successful enrollment of your Account(s), we will supply the Account(s) with natural gas from the first regularly scheduled Utility meter read date after your Utility switches you to Constellation ("Start Date"), which we estimate will be in the month of Month 2016 (Month 2016 billing cycle). We will supply your Account(s) through the month of Month 2018 (Month 2018 billing cycle). If the Sample City, OH Natural Gas Pricing Program continues beyond Month 2018 with Constellation as the supplier, Constellation will send you a notice of renewal including, but not limited to, notice of the new Sample City, OH Natural Gas Pricing Program, notice of your right to opt-out of the Sample City, OH Natural Gas Pricing Program, and any other changes. The opt-out mailing shall include a provision for return of a post card or similar notice to Constellation, to be returned no earlier than twenty-one (21) days from the post-marked date, and receipt of the opt-out mailing post-marked before the opt-out deadline has elapsed shall count as timely sent. You are entitled to opt-out of Sample City, OH Natural Gas Pricing Program at least every two years from the Start Date of the Sample City, OH Natural Gas Pricing Program, without a penalty. If for any reason you do not wish to continue, you may cancel this Agreement as provided in Section 4 below. If you do not cancel, this Agreement will renew, and any changes to the General Terms and Conditions will become effective for the term provided in the renewal notice.

3. Sample City, OH Natural Gas Pricing Program. Through Month 2017 (Month 2017 billing cycle), your price will be a fixed rate of \$X.XX per Mcf. For the remainder of the term of this Agreement, your price will be the NYMEX last day settlement price, converted to Mcf using a BTU factor of 1.063, for the applicable gas flow month plus an "Adder" of \$0.101 / Mcf unless the Sample City, OH decides to fix the price for any of those months. **IN THIS PROGRAM, YOU HEREBY APPOINT THE SAMPLE CITY, OH AS YOUR AGENT FOR NATURAL GAS SUPPLY PRICING DECISIONS AND AGREE THAT SAMPLE CITY, OH HAS THE EXCLUSIVE RIGHT TO MAKE NATURAL GAS SUPPLY PRICING DECISIONS ON YOUR BEHALF WHILE THIS AGREEMENT REMAINS IN EFFECT.**

Note: The fixed or variable price includes (i) all related interstate pipeline charges required to deliver gas to the Delivery Point, plus (ii) administrative costs and fees. In addition to the fixed or variable price, you will also pay the Utility's service charges.

4. Termination. You may terminate this Agreement without penalty at any time for any reason by providing notice to Constellation. Please note that once enrolled, it may take one to two billing cycles beyond the current billing cycle for the cancellation to be effective, as the effective date of all cancellations are subject to your Utility's guidelines. Should you fail to pay any Utility invoice or fail to meet any agreed-upon payment arrangement, your service and this Agreement may be automatically terminated in accordance with the Utility's tariffs. In addition, this Agreement will terminate if (i) the requested service location is not served by the Utility, (ii) you move outside the Utility's service area or to an area not served by Constellation, (iii) we return you to the Utility's sales service pursuant to any termination of this agreement by us, or (iv) you cancel your enrollment with us pursuant to your rescission right provided below. You may terminate this Agreement without penalty if you relocate outside the service territory of the Utility.

5. Customer's Rescission Right. Upon processing your enrollment, the Utility will send you a confirmation letter, which is notice of the transfer of your supply to Constellation. You have a seven (7) day period from the postmark date of the Utility's confirmation letter during which time you may cancel your enrollment, without penalty, by calling the Utility's toll-free number provided in the confirmation letter or by providing written notice to the Utility, which will be effective as of the postmark date.

6. Your Invoice. You will be invoiced by the Utility monthly for all charges applicable to your natural gas usage, including the rates set forth herein, applicable Taxes (which are passed through to you) and all applicable Utility customer charges and franchise fees. You authorize us to act as your payment agent if deemed necessary by us to facilitate consolidated billing. You have the right to request up to twenty-four (24) months of your payment history for services rendered by Constellation without charge.

7. Switching. The Utility may charge a switching fee in accordance with its tariff when you change your natural gas supplier to Constellation. If the Utility charges a switching fee when you change your natural gas supplier to Constellation in accordance with this Agreement, Constellation agrees to pay such switching fee. Constellation will not separately charge a switching fee. If you voluntarily return to the Utility after switching to a competitive supplier, you may be charged a price other than the Utility's regulated sales service rate.

"Taxes" means all taxes, duties, fees, levies, premiums or any other charges of any kind, whether direct or indirect, relating to the sale, purchase or delivery of natural gas, together with all interest, penalties or other additional amounts imposed, including but not limited to gross receipts, sales, consumption, use, value added, per Mcf, commercial activity or other privilege tax, and any other tax (whether in effect as of the effective date of this agreement or thereafter) imposed by any governmental entity. 10. Notices. All notices will be in writing and delivered by hand, first class mail, or by express carrier to our respective business addresses. Either of us can change our address by notice to the other pursuant to this paragraph.

11. Changes in law, market structure, and/or your natural gas needs or classifications. If a change in or implementation of law, rule, regulation, ordinance, statute, judicial decision, administrative order, Utility tariffs, or the like causes our costs under this Agreement to increase, we will have the right to pass such increased costs on to you. The changes described in this Section may change any or all the charges described in this Agreement.

12. Events beyond either of our reasonable control. If something happens that is beyond either of our reasonable control that prevents either of us from performing our respective obligations under this Agreement, then whichever one of us cannot perform will be relieved from performance until the situation is resolved. Examples of such events include: acts of God, fire, flood, hurricane, war, terrorism; labor disputes; declaration of emergency by a governmental entity or the Utility; curtailment, disruption or interruption of natural gas transmission, distribution or supply; regulatory, administrative, or legislative action, or action or restraint by court order or other governmental entity; and actions taken by third parties not under your or our control, such as the Utility. However, such events shall not in any event excuse any failure to make payments due in a timely

manner for natural gas supplied to you. The parties shall notify each other immediately of an operational flow or curtailment order from the applicable pipelines or Utility and shall take all required steps to comply with such orders.

13. Delivery Point and indemnification obligations. We will deliver natural gas to the Delivery Point. Title and risk of loss related to the natural gas transfer to you at the Delivery Point, and you are responsible for all transmission, distribution, and other costs (including Taxes and other fees) related to the final delivery to the facilities to which the Account(s) relate as well as your use of the natural gas. While we will arrange for the delivery of natural gas to you by your Utility, we will have no liability or responsibility for matters within the control of the Utility, which include maintenance of pipelines and systems, service interruptions, loss of service, quality of the natural gas, deterioration of services, or meter readings. EACH PARTY (THE "INDEMNIFYING PARTY") WILL DEFEND, INDEMNIFY AND HOLD THE OTHER PARTY HARMLESS FROM ANY AND ALL CLAIMS (INCLUDING CLAIMS FOR PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE), LOSSES, EXPENSES (INCLUDING REASONABLE ATTORNEYS' FEES), DAMAGES, SUITS, CAUSES OF ACTION AND JUDGMENTS OF ANY KIND ARISING HEREUNDER WHILE TITLE AND RISK OF LOSS ARE VESTED IN THE INDEMNIFYING PARTY.

14. Limitation on Liability. IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES, OWNERS, OFFICERS OR DIRECTORS BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST OPPORTUNITIES OR LOST PROFITS. Each party's total liability related to this Agreement, whether arising under breach of contract, tort, strict liability or otherwise, will be limited to direct, actual damages. Each party agrees to use commercially reasonable efforts to mitigate the damages it may incur. NO WARRANTY, DUTY, OR REMEDY, WHETHER EXPRESSED, IMPLIED OR STATUTORY, ON CONSTELLATION'S PART IS GIVEN OR INTENDED TO ARISE OUT OF THIS AGREEMENT, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A GENERAL OR SPECIFIC PURPOSE OR USE.

15. Governing Law/Venue. THIS AGREEMENT WILL BE GOVERNED BY AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF OHIO WITHOUT GIVING EFFECT TO ANY CONFLICTS OF LAW PROVISIONS. WE ALSO BOTH AGREE IRREVOCABLY AND UNCONDITIONALLY TO WAIVE ANY RIGHT TO A TRIAL BY JURY OR TO INITIATE OR BECOME A PARTY TO ANY CLASS ACTION CLAIMS WITH RESPECT TO ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

16. Relationship of Parties. We are an independent contractor, and nothing in this Agreement establishes a joint venture, fiduciary relationship, partnership or other joint undertaking. You will not rely, and have not relied, on us in evaluating the advantages or disadvantages of any specific product or service, predictions about future energy prices, or any other matter under this Agreement. Your decision to enter into this Agreement and any other decisions or actions you may take are and will be based solely upon your own analysis (or that of your advisors) and not on information or statements from us. There is no guarantee that the program you chose will guarantee any price advantage or savings.

17. Confidentiality. Consistent with applicable regulatory requirements, we will hold in confidence all information obtained by us from you related to the provision of services under this Agreement and which concern your energy characteristics and use patterns, except that we may disclose such information to our affiliates (excluding Baltimore Gas & Electric, a regulated utility) and such affiliates' employees, agents, advisors, and independent contractors. Other than for operation, maintenance, assignment and transfer of your Account(s), pursuant to a court or PUCO order or pursuant to a PUCO rule, we will not release your account number or, other than for credit checking and credit reporting, if applicable, your social security number, without your prior written consent.

18. Miscellaneous Provisions. If in any circumstance we do not provide notice of, or object to, any default on your part, such situation will not constitute a waiver of such default or any future default of any kind. If any of this Agreement is held legally invalid, the remainder will not be affected and will be valid and enforced to the fullest extent permitted by law and equity, and there will be deemed substituted for the invalid provisions such provisions as will most nearly carry out our mutual intent as expressed in this agreement. You may not assign or otherwise transfer any of your rights or obligations under this Agreement without our prior written consent and any such attempted transfer will be void. We may assign our rights and obligations under this Agreement to a qualified natural gas supplier and will provide you with prior written notice of any such assignment. This Agreement contains the entire agreement between both of us, supersedes any other agreements, discussions or understandings (whether oral or written) regarding the subject matter of this agreement, and may not be contradicted by any prior or contemporaneous oral or written agreement. A facsimile copy with your signature will be considered an original for all purposes. No amendment to this Agreement will be valid or given any effect unless signed by both of us. Applicable provisions of this Agreement will continue in effect after termination or expiration of this Agreement to the extent necessary, including those for billing adjustments and payments, Indemnification, limitations of liability, and dispute resolution. Constellation shall have the right to set-off and net any amounts owed to Customer against any amounts owed to it by Customer under this Agreement or any other agreement. This Agreement is a "forward contract" and Constellation is a "forward contract merchant" under the U.S. Bankruptcy Code, as amended. Further, we are not providing advice regarding "commodity interests", including futures contracts and commodity options or any other matter, which would cause us to be a commodity trading advisor under the U.S. Commodity Exchange Act, as amended ("CEA"). Customer's purpose in entering into this Agreement is not speculation, but rather price volatility control and/or budget management for procurement of natural gas for one or more of its facilities. Customer represents that it qualifies as an "eligible contract participant" as the same is defined under the CEA. The terms of any purchase order (PO) you send to us or any alterations, additions, or modifications you make to the preprinted terms of this Agreement shall be void and without any effect unless and only to the extent we agree in writing to such alterations, additions, or modifications.
