**Re: Notice - Transfer of the Interconnection Substation Complete
Case No. 09-479-EL-BGN**

Dear Ms. McNeal:

Hardin Wind Energy LLC (“Hardin Wind Energy”) was granted a Certificate to construct the Hardin Wind Farm, a wind-powered electric generation facility to be located in Hardin County, Ohio.

On September 20, 2018, the Ohio Power Siting Board (“OPSB”) granted the request filed jointly by Hardin Wind Energy and AEP Ohio Transmission Company, Inc. (“AEP Ohio Transco”) for approval of the transfer of the portion of the Certificate that relates to the interconnection substation from Hardin Wind Energy to AEP Ohio Transco.

At this time, Hardin Wind Energy is filing notice with the OPSB that the transfer of the interconnection substation from Hardin Wind Energy to AEP Ohio Transco was completed on October 11, 2018.

We are available to answer any questions you may have.

Respectfully submitted,

/s/ Christine M.T. Pirik
