Dear Board:

The Willard Board of Education met on Monday, March 12, 2018 to review the Emerson Creek Wind project information. The Board voted 4-0 in support of the project.

We agree that this is a huge opportunity for Huron County and will be an economic boost for the community. Adequate funding for public schools is a challenge and this project will certainly alleviate some of the burden for our citizens.

Sincerely,

Jeffery R. Ritz, Superintendent
Willard City Schools
