**SENECA WIND, LLC’S RESPONSE TO SENECA COUNTY RESIDENTS’
PETITION TO INTERVENE**

On November 13, 2018, a group of Seneca County residents (“Seneca County Residents”) filed a petition to intervene in this case. In their petition to intervene, the Seneca County Residents raised a number of arguments regarding their opposition to Seneca Wind, LLC’s (“Seneca Wind”) proposed project, and also made a number of claims regarding potential impacts from the project. Seneca Wind does not oppose intervention of the Seneca County Residents. However, Seneca Wind reserves the right to oppose the allegations contained within the petition to intervene including but not limited to alleged impacts due to noise and shadow flicker.

Respectfully submitted on behalf of
SENECA WIND, LLC
