**SUBJECT:** 18-1294-ws-aem,18-1528-ws-ae Emergency increase, increase and charges

Please docket the attached in the case number above.

these owners have done nothing to support our park. they have taken our rent money and let everything turn to crap. now they expect us to foot the bills to improve our water and sewer problems. hold them responsible

Columbia Park Water and Sewer Rate Increase > While I understand that one always asks for more than one is will to accept, a rate increase of 249% is beyond laughable. As I'm sure you're aware, Columbia Mobile Home Park is in receivership due to the misuse of funds and the incompetent management of the current owners. I'm sure you're also aware that the EPA has levied major fines against Columbia Park WWTP for not adhering to the rules set forth in connecting our system to the city water system. Now the owners have requested a substantial rate increase. It seems they want us to pay for their ineptitude and the millions of dollars it will cost to fix this issue. We had a hefty rate increase not long ago and no improvements were made. Any increase will do nothing but hurt the residents here and put more money in the owner's pocket, which he will disappear with. I'm respectfully asking that you not approve any rate increase and give them anymore of our money to misuse. Thank you.
