Re: Request to Modify Order, Garver Road/TR 177 (DOT#002-056B)

Dear Commission,

This letter is a request for an additional extension for the above referenced project for an additional 120 days. We completed the installation of the lights and gates on 11/5/2018, but due to the current weather conditions we are unable to complete the surface portion at this time. We plan to put this project first on our to do list when the weather allows us to perform this work properly. Please reach out to me with any questions.

Respectfully,

Tim Andrews
