RE: Letter of Notification
Wapakoneta Area Improvements – Gemini Substation
Filed as Gemini Station 138-kV Substation Project
Case No. 18-1637-EL-BLN

Dear «ADDRESSEE»:

You are receiving this letter because a transmission line project has been proposed in your area. We announced in July the Wapakoneta Area Improvements Project, which involves building approximately 15 miles of 138-kilovolt transmission line, building two new substations and expanding an existing substation.

We have filed a portion of the project with the Ohio Power Siting Board (OPSB) as the Gemini Station 138-kV Substation Project. This component involves building the proposed Gemini Substation in Pusheta Township in Auglaize County. The improvements are expected to improve electric service reliability for customers and support economic development.

We're coordinating with the city of Wapakoneta and its electric department on the work, and plan to begin construction next spring.

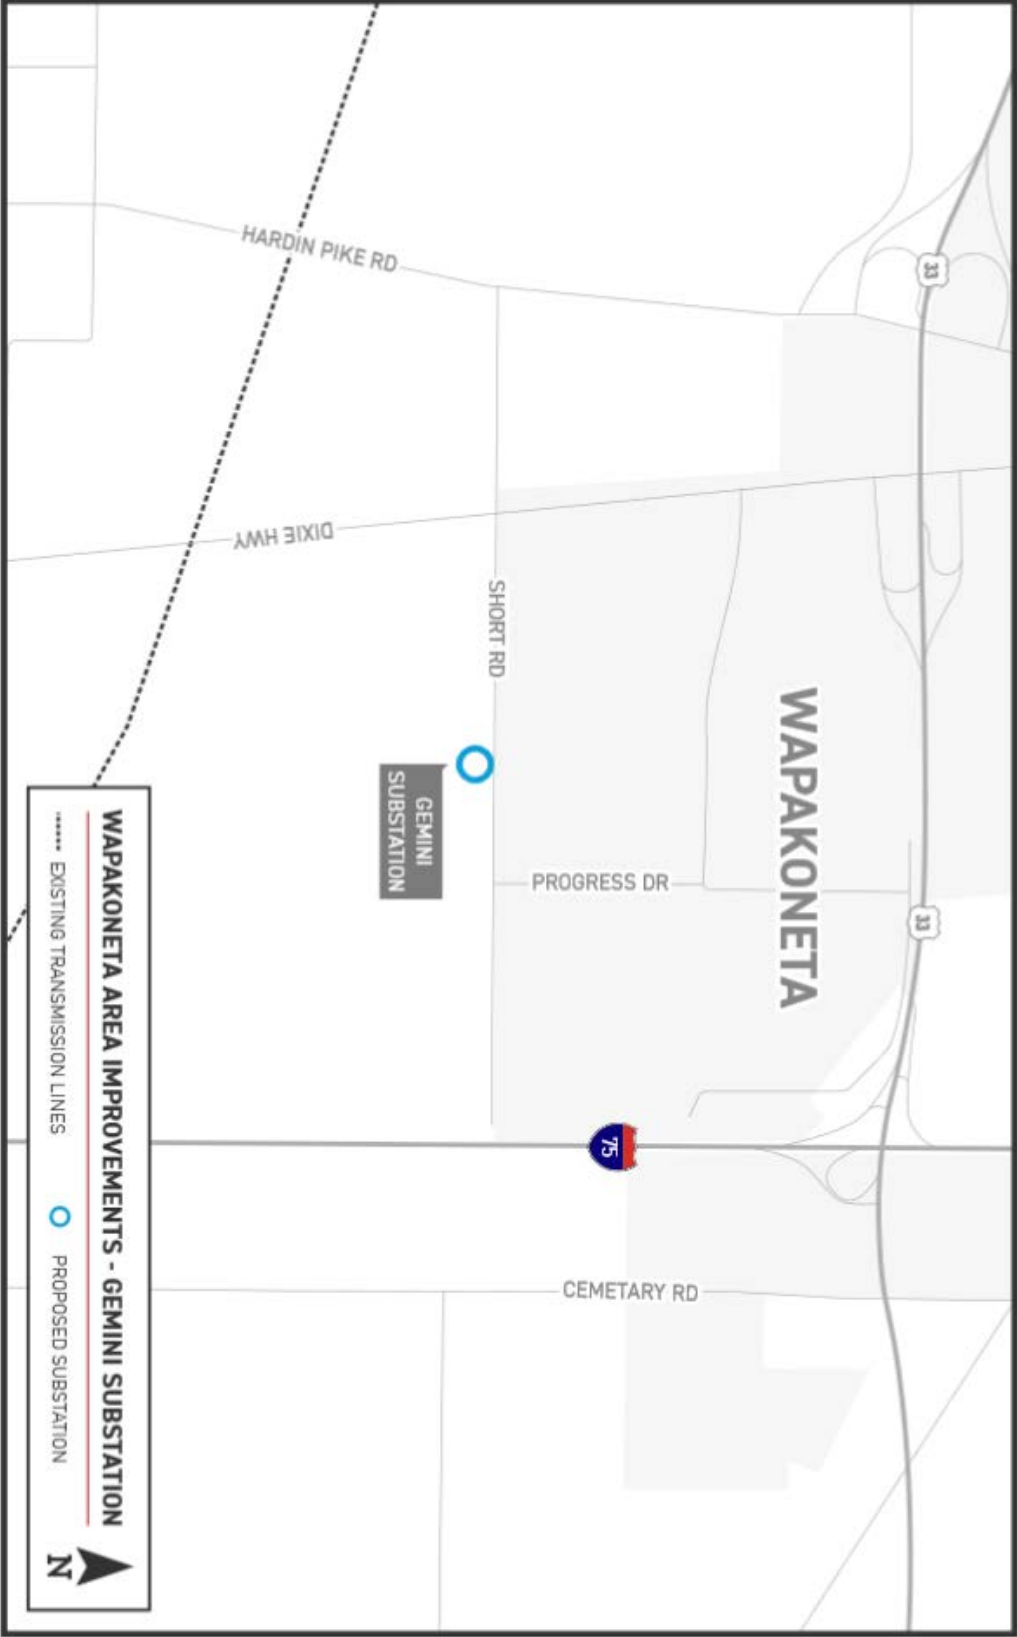

Please see the attached Letter of Notification filed to the OPSB. This is required whenever we make certain changes to our transmission facilities, according to Rule 4906-6-01, et. seq., of the Ohio Administrative Code. We filed this project as the Gemini Station 138kV Substation Project, Public Utilities Commission of Ohio Case No. 18-1637-EL-BLN.

The Letter of Notification to construct, operate and maintain this facility is pending before the OPSB. Please make this Letter of Notification available to the public. We're also communicating with landowners in the project area.

Please contact me at (614) 552-1134 or jkdemaree@aep.com if you would like an electronic copy of the Letter of Notification or if you have any questions about this project.

Sincerely,

Joe Demaree

Girl Scout Leader, Jennifer Brown; BSA Leader, John Brown; and BSA Leader, Brian Botti pose for a picture along with local Scouts at Mercy Unlimited after leading the Wapakoneta Community Food Drive, which brought in 2,818 pounds of non-perishable items.

Scouts lead community food drive

Wapakoneta, Ohio (November, 2018) - Local Boy Scouts, Cub Scouts, and Girl Scouts participated in collecting items for the Wapakoneta Community Food Drive, a Scouting for Food event. The youth distributed door hangers the weekend of Nov. 3rd as a reminder for households to leave the non-perishables in a bag by their door by 9 a.m. on Saturday Nov. 10th for collection.

Local Boy Scouts of America leader, John

Brown took over the responsibility for coordinating and leading the event this year. The food drive for 2018 brought in a total of 2,818 pounds of non-perishable items; donations were up almost 31 percent over last year's thanks to the generous citizens of Wapakoneta. The donations went to benefit God's Storehouse and Mercy Unlimited, Inc. to assist with the emergency food needs of families in the Wapakoneta and Greater Eastern

Auglaize County area.

The annual drive was successful due to the commitment, dedication, and hard work of every Scout Leader, every Scout, and all of the Scout Parents who helped distribute notices and then collect, transport, and deliver the food to the sorting site at Mercy Unlimited. Charitable volunteers from God's Storehouse and Mercy Unlimited received and sorted the incoming collections.
