Re: *In re Joint Application of Aqua Ohio, Inc. and Aqua Ohio Wastewater Inc.*, Case
Nos. 18-1330-WS-ACE & 18-1331-WS-ATA

Dear Ms. McNeal,

In its December 12, 2018 Finding and Order in the above-captioned cases, the Commission approved the issuance of certificates of public convenience and necessity for the provision of water service and sewage disposal service to the Southwoods Estates service area and approved the submitted tariff pages.

The Order required Aqua Ohio, Inc. and Aqua Ohio Wastewater, Inc. (the Companies), upon the closing of the proposed transaction, to file a notice in these dockets reflecting such occurrence. Order at 8. In accordance with this requirement, the Companies hereby give notice that the transaction closed on January 15, 2019.

The Order also required the Companies to “provide written notice to the Southwoods Estates customers of the approval of the applications” and to “file a copy of the customer notification upon its completion.” *Id.* A letter providing this notice to customers was mailed on January 16, 2019, and a copy of this letter is attached.

Finally, in accordance with this Order, the Companies are submitting clean copies of the approved tariff pages, which are attached and should be filed in the above-captioned cases and in Case Nos. 89-7028-WW-TRF (for water service tariffs) and 89-7052-ST-TRF (for sewage disposal service tariffs).

Please let me know if there are any questions.

Regards,

Customer Notice

January 16, 2019

Dear Southwood Estates Resident,

It's my privilege to welcome you to Aqua Ohio! We are pleased to announce that a sales agreement signed between Sutton Bank, the former owner of your water and wastewater utilities and Aqua Ohio was approved by the Public Utilities Commission of Ohio (PUCO) in December 2018. This sale and approval will ensure that your utilities and the Southwood customers will be taken care of by an industry leader.

Though you may have heard of Aqua Ohio, please allow me to briefly highlight who we are. Aqua Ohio is the largest regulated private water and wastewater utility within Ohio and serve more than 500,000 people within the Buckeye State. With the addition of your neighborhood, we operate 39 water and wastewater systems, ranging from municipalities with 35,000 customers to local Home Owners Association systems. When you combine our in-state professionals with our parent company's network spanning eight states and a history dating back to 1886, you can rest assured you have the best team of water quality professionals in your corner.

Being part of Aqua Ohio also brings financial stability which is important when water and sewer systems require upgrades to meet the latest Ohio EPA compliance requirements or to ensure the treatment and delivery of quality, safe water. When larger or more complex projects are necessary, being a part of Aqua Ohio allows costs to be spread among a larger pool of customers thus helping to mitigate rate spikes and better controlling costs.

In addition to the benefits of service from our unmatched network, Aqua customers enjoy:

- **Twenty-four hour customer service** call centers at 877-987-2782 where professionals have the ability to dispatch emergency work crews anytime, day or night;
- **Options to pay** your water bills by mail, online, by phone or in person at any of the hundreds of approved payment centers in the Western Union® network;
- **Assurance that your home is being served by a team that is committed to the environment.** In fact Aqua works hand-in-glove with the Ohio Environmental Protection Agency (EPA) and the United States EPA to assure environmental compliance and help shape public policy.

Please note that Aqua is assuming ownership of the water plant, water mains and company service lines up to and including the curb box near the street. You, the customer, will still own and are responsible for maintaining the service line from the curb box to your home.

We are also assuming ownership of the sewer plant and sewer lines. You will still own and maintain any sewer lines.

Once again, on behalf of my team, I welcome you to the Aqua family and thank you for the opportunity to play such an important role within the Southwood Estates community.

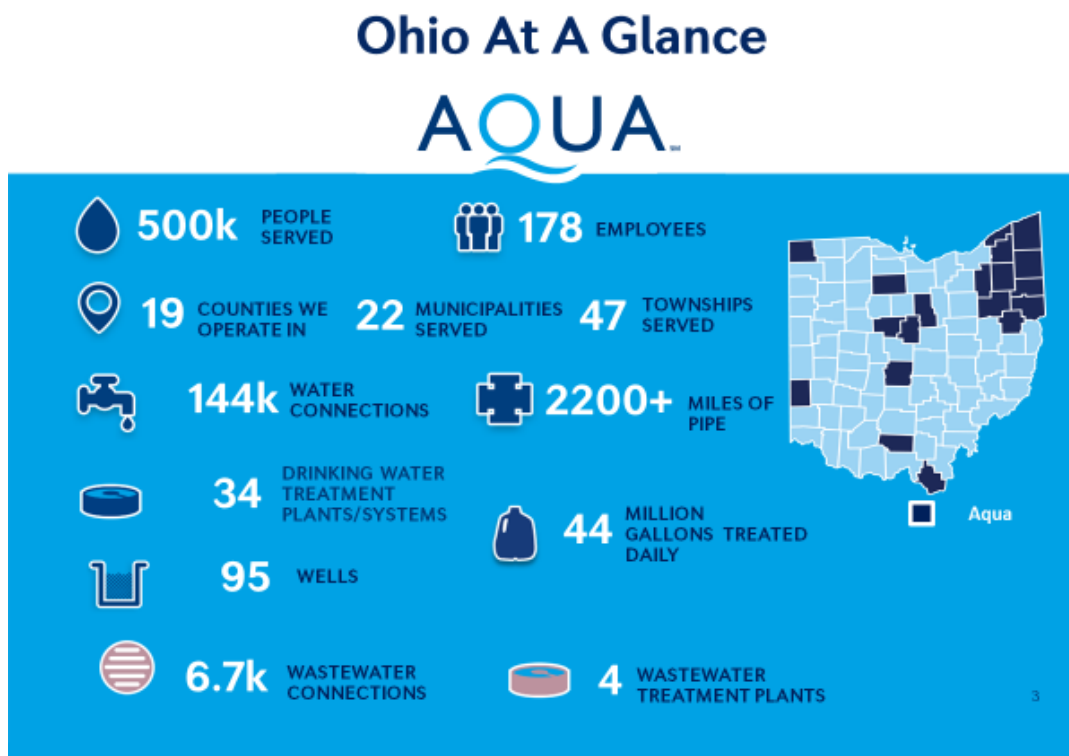

Sincerely,
Edmund P. Kolodziej, Jr.
President & COO
