DOCKETING CASE #: 18-1392-EL-RDR

SUBJECT: Ohio Power Company - Protest Rate Case

I fully support any solar or wind farm energy attempts in our state. I KNOW we have "enough" power, but that is not the point. We have to move from fossil fuels for our grandchildren's sake. It is unsustainable for our planet. SOMEONE has to make these decisions OTHER THAN with money in mind. We have to be bigger than that, even if it costs more. The cost to not pursue this is much greater.
