

# **THE PUBLIC UTILITIES COMMISSION OF OHIO**

**IN THE MATTER OF THE COMMISSION'S  
REVIEW OF CHAPTER 4901:1-10 OF THE  
OHIO ADMINISTRATIVE CODE.**

**CASE NO. 12-2050-EL-ORD**

## **SIXTH ENTRY ON REHEARING**

Entered in the Journal on February 6, 2019

### **I. SUMMARY**

{¶ 1} The Commission grants the applications for rehearing filed by The Dayton Power and Light Company; Ohio Power Company; and Interstate Gas Supply, Inc., IGS Generation, LLC, and IGS Solar, LLC to further consider the matters specified in the applications.

### **II. DISCUSSION**

{¶ 2} R.C. 111.15(B) and R.C. 106.03(A) require all state agencies to conduct a review of their rules every five years to determine whether those rules should be continued without change, be amended, or be rescinded. The Commission is currently reviewing the net metering rules contained in Ohio Adm.Code 4901:1-10-28.

{¶ 3} On November 8, 2017, the Commission issued a Finding and Order amending the net metering rules contained in Ohio Adm.Code 4901:1-10-28.

{¶ 4} On December 19, 2018, the Commission issued a Fifth Entry on Rehearing (Fifth Entry on Rehearing). Therein, the Commission granted, in part, and denied, in part, applications for rehearing filed by One Energy Enterprises, LLC, and Interstate Gas Supply, Inc. and denied all other applications for rehearing.

{¶ 5} Pursuant to R.C. 4903.10, any party who has entered an appearance in a Commission proceeding may apply for rehearing with respect to any matters determined in that proceeding by filing an application within 30 days after the Commission's order

is journalized. Any party may file a memorandum contra to an application for rehearing within ten days after its filing. Ohio Adm.Code 4901-1-35.

{¶ 6} On January 18, 2019, the Dayton Power and Light Company (DP&L); Ohio Power Company (AEP Ohio); and Interstate Gas Supply, Inc., IGS Generation, LLC, and IGS Solar, LLC (collectively, IGS) filed applications for rehearing of the Commission's Fifth Entry on Rehearing.

{¶ 7} On January 28, 2019, Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company jointly filed a memorandum contra IGS's application for rehearing, as did DP&L and AEP Ohio. Similarly, Direct Energy Business, LLC and Direct Energy Services, LLC joined IGS to file a memorandum contra the applications for rehearing filed by AEP Ohio and DP&L.

{¶ 8} The Commission believes that sufficient reason has been set forth by DP&L, AEP Ohio, and IGS to warrant further consideration of the matters specified in the applications for rehearing. Accordingly, the applications for rehearing should be granted.

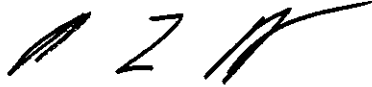

### III. ORDER

{¶ 9} It is, therefore,

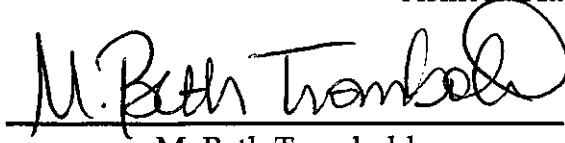

{¶ 10} ORDERED, That the applications for rehearing filed by DP&L, AEP Ohio, and IGS be granted for further consideration of the matters specified in the applications for rehearing. It is, further,

{¶ 11} ORDERED, That a copy of this Sixth Entry on Rehearing be served upon all parties of record.
