Comments received form Web.

I oppose the construction of these massive industrial wind turbines in the rural farmland of Seneca county. I oppose all three wind farm projects affecting Seneca county, but in particular I oppose the Republic Wind Farm which puts a turbine taller than a 50 story building in a field right outside my home. I fear for not only the wildlife in question but also for the contamination of our underground water supply, which we use for drinking.

Beth VanFleet, Bellevue, OH
