- 17-2295-EL-BGN: Republic Wind Farm
- 18-1607-EL-BGN: Emerson Creek Wind

I oppose these three industrial wind turbine projects: - 18-0488-EL-BGN: Seneca Wind Farm - 17-2295-EL-BGN: Republic Wind Farm - 18-1607-EL-BGN: Emerson Creek Wind Farm. these turbine projects are very bad for our area. we have to many homes located to close to the turbine locations. it puts peoples lives and animals such as bald eagles at risk. they should not be built in ohio

I oppose these three industrial wind turbine projects: - 18-0488-EL-BGN: Seneca Wind Farm - 17-2295-EL-BGN: Republic Wind Farm - 18-1607-EL-BGN: Emerson Creek Wind for the following reasons: We have lived on this property for 38 years and want to continue to have safe well water as this is our only source of water. We do not want our property value to decrease. We do not want to be exposed to the infrasound and flicker. We want to continue to see the stars at night and the clear blue sky with birds flying in the day. We want to see the horizon with clouds not littered with turbine blades. We strongly oppose the wind turbine projects
