**REVIEW AND RECOMMENDATION**  
SUBMITTED ON BEHALF OF THE STAFF OF  
THE PUBLIC UTILITIES COMMISSION OF OHIO

---

Pursuant to the Ohio Administrative Code rule 4901:1-6-08, as adopted in Case No. 14-1554-TP-ORD, this is an Application for Certification (ACE). As such, this ACE application is subject to a 30-day approval process. The automatic approval date is February 16, 2019, with an effective date of February 17, 2019.

On January 17, 2019, the Applicant filed an ACE application seeking authority to provide facilities-based competitive local exchange telecommunications services throughout the State of Ohio. The Applicant is proposing to offer local exchange service bundled with an unregulated service to business customers.

This is an application seeking authority to offer a bundle or package of services as defined in 4927.01(A)(3), as such it must comply with §4901:1-6-08 of the Ohio Administrative Code. The Applicant included all the required exhibits set forth in 4901:1-6-08(E). Upon review of those exhibits, Staff requested several amendments to the exhibits, which were subsequently provided to Staff by the Applicant on February 14, 2019. After review, Staff determined all of the amended exhibits to be sufficient.

The Staff reviewed all documents and exhibits filed on January 17 and as amended February 14, 2019. In conclusion, the Staff review found that the application, as amended, is reasonable. Therefore, Staff recommends that the Applicant's Application for Certification (ACE) be approved.
