ST. MARYS, OHIO

Dear City of St. Marys Resident,

Volunteer Energy Services, Inc. (VESI) in cooperation with the City of St. Marys (the “City”) is providing you with the opportunity to join or remain with other residents and small commercial customers in the City’s natural gas Government Aggregation Program. **If you have received this letter and are outside the boundaries of the City of St. Marys, please let us know by calling 800-977-8374.** Government Aggregation programs allow City officials to bring together citizens to gain group-buying power for the purchase of natural gas from a retail supplier licensed by the Public Utilities Commission of Ohio. **City of St. Marys voters approved this program in 2003.**

During the past few months, we have researched options for competitive natural gas pricing for you. We have chosen VESI, an Ohio based corporation to provide you with natural gas for the term **April 1, 2019 through March 31, 2021.**

You will be automatically enrolled in the City’s Natural Gas Government Aggregation Program unless you choose to “opt out” – that is, affirmatively choose not to participate. If you wish to be excluded from the City’s natural gas aggregation program, you must return the enclosed “Opt-Out” form by **March 28, 2019**. Otherwise, you will be included in the aggregation program. If you do not opt out at this time, you will receive a notice at least once every two years asking if you wish to remain in the program. However, you do not need to do anything to participate. There is no cost for enrollment and you will not be charged a switching fee.

Price: Volunteer Energy is pleased to offer natural gas for your home or business at a fixed rate of \$3.95 per Mcf at the burner tip. This rate will be effective April 2019 (May billing) through March 2021 (April billing). If you are ever unhappy with your rate, you may leave the program free of charge at any time. Please refer to the attached Terms and Conditions for full details of this offer.

After you become a participant in the City’s natural gas aggregation program, Dominion East Ohio (DEO) will send a letter confirming your selection of VESI as your natural gas provider. As required by law, this letter will inform you of your option to cancel your enrollment with VESI within seven (7) business days of its postmark date. To remain in the City’s government aggregation program, you don’t need to take any action when this letter arrives. You will be automatically enrolled.

DEO will always be responsible for ensuring the distribution of natural gas to your premises and will continue to maintain your meter, the monthly reads and the pipelines that deliver natural gas to your home. Your natural gas bill will also continue to come from DEO. The only change you’ll notice is the name of your new gas supplier, Volunteer Energy Services, Inc., included on your bill.

If you have any questions, please call VESI toll-free at **1-800-977-8374**, Monday through Friday, 9:00 a.m. to 4:00 p.m.

Sincerely,

City of St. Marys

and

Should you fail to pay the bill or fail to meet any agreed upon payment arrangement, DEO may terminate your service in accordance with its company tariffs, and this agreement with VESI may be automatically terminated.

Upon request, VESI will provide you up to 24 months of your payment history without charge. Emergency Service Problems: If you become aware of a gas emergency condition, or experience an unanticipated loss of gas service, you should contact DEO at the telephone number listed on your gas bill.

Termination/Rescission of Agreement: You may terminate / rescind your natural gas supply enrollment with VESI within seven (7) days of the post mark date of the confirmation letter from DEO. After the initial seven (7) day period, either you or VESI may terminate the contract at any time by providing the non-terminating party thirty (30) days written notice of such termination, without penalty. You will remain responsible for all natural gas consumed by you prior to the actual termination of service. If your supply contract with VESI is terminated, your natural gas supply will automatically be provided by DEO under its standard tariff unless or until you choose another supplier. If you voluntarily terminate participation in the City's natural gas governmental aggregation program, you may be charged a price other than DEO regulated sales service rate. **There will be no early termination fees associated with the City of St. Marys' program.** Service will automatically terminate upon the occurrence of any of the following: (1) the requested service location is not served by DEO; (2) you move outside DEO's service area or to an area not served by VESI; or (3) VESI terminates your supply agreement and returns you as a customer to DEO. You have the right to terminate natural gas service with VESI, without penalty, for any reason at any time.

Program Compliance: DEO's deregulation program is subject to the ongoing jurisdiction of the PUCO. If the PUCO cancels the program, this contract is rendered void with no penalty to either party. The laws of the State of Ohio will govern the terms of natural gas supply.

VESI's rate excludes DEO charges and taxes. Natural gas service is subject to enrollment processing timelines as determined by DEO and VESI's aforementioned Terms and Conditions of Service. To be eligible to participate in the City of St. Marys' natural gas aggregation program, you must: (1) have a residence or business located in the City of St. Marys; (2) be eligible to receive natural gas from DEO; (3) meet Ohio non-mercantile requirements; (4) be current with your natural gas payments or payment arrangements; (5) not be enrolled in the PIPP program; and (6) currently not taking natural gas supply service from another natural gas marketer.

If you believe you received this letter in error or are not located in the City of St. Marys, please contact VESI to remove your account from our aggregation list.
