Official American Electric Power Comment

AEP case number: 18-0501-EL-FOR

- I support AEP's proposal for 900 MW of renewable energy. This would double the amount of renewable energy in Ohio, and it's a necessary step toward meeting our renewable energy standards.
- I would be willing to pay a small increase on my monthly bill if it meant my energy was coming from renewable sources.
- I support AEP's plan to construct solar farms in Appalachian Ohio, which would bring thousands of jobs to the region.
