Basic Local Exchange Service

SECTION 2 - Regulations, cont'd.

2.1 Undertaking of the Company, cont'd.

2.1.5 Notification of Service-Affecting Activities

The Company may provide the Customer reasonable notification of service activities that occur in normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventive maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notification requirements. However, some emergency or unplanned service-affecting conditions, such as outage resulting from cable damage, notification to the Customer may not be possible.

2.1.6 Provision of Equipment and Facilities

1. The Company shall use reasonable efforts to make services available to a Customer on or before a particular date, subject to the provisions of and compliance by the Customer with, the regulations contained in this tariff and in compliance with the Commission's **Telephone Company Procedures and Standards** as set forth in O.A.C. 4901:1-6. The Company does not guarantee availability by any such date and shall not be liable for any delays in commencing service to any Customer. (T)
2. The Company shall use reasonable efforts to maintain facilities that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair, or otherwise interfere with any of the facilities installed by the Company, except upon the written consent of the Company. (T)
3. Equipment installed at the Customer Premises for use in connections with the services the Company offers shall not be used for any purpose other than that for which the Company has provided it.
4. The Company shall not be responsible for the installation, operation or maintenance of any Customer provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Beyond this responsibility, the Company shall not be responsible for:
 - A. the transmission of signals by Customer provided equipment or for the quality of, or defects in, such transmission; or
 - B. the reception of signals by Customer provided equipment; or
 - C. network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

Basic Local Exchange Service
