RE: Petition to Intervene in the adjudicatory hearing on March 26, 2019, at 10:00 am., 11th floor, Hearing Room 11-D, at the offices of the Public Utilities Commission of Ohio, 180 East Broad Street, Columbus, Ohio 43215-3793. Case No. 18-1334-EL-BGN.

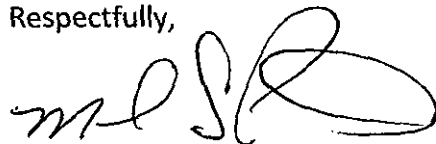

To Whom This May Concern:

My name is Mark Partin and I reside at 1515 Hess Rd Sardinia, OH 45171. (adjacent to the project). I have lived in the area since 1987 and I am filing this Petition to be accepted to intervene in the above-mentioned adjudicatory hearing on behalf of myself and other residents who live in the community and are adjacent to the project as am I.

I realize this filing is late and or past the required admission date, however coming from a "Farming" community as residents we were ambushed by certified mail, people and or companies from states away we knew nothing about, therefore it took time, understanding, education and community involvement to grasp what was going on and the possibility of our environment changing dramatically. Keep in mind we have our daily lives that include jobs, children, family and finding time outside of our normal lives to investigate, educate, understand and feel confident enough to talk in manor that's accepted about the project or issue we've been dealt was a challenge. We don't have the time that those folks who are devoted/employed with the project or as I understand are in our community daily.

I'd ask that you consider my petition in good faith and looking forward to positive response.

Respectfully,

Mark S. Partin
