

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
THE CLEVELAND BOARD OF EDUCATION
FOR THE CLEVELAND MUNICIPAL
SCHOOL DISTRICT TO ESTABLISH A
REASONABLE ARRANGEMENT WITH THE
CLEVELAND ELECTRIC ILLUMINATING
COMPANY.

CASE No. 08-1238-EL-AEC

ENTRY

Entered in the Journal on March 20, 2019

I. SUMMARY

{¶ 1} In this Entry, the Commission dismisses as moot the amended application filed by the Cleveland Municipal School District to establish a reasonable arrangement with The Cleveland Electric Illuminating Company.

II. PROCEDURAL HISTORY

{¶ 2} The Cleveland Electric Illuminating Company (CEI) is an electric light company as defined in R.C. 4905.03 and a public utility as defined in R.C. 4905.02 and, as such, is subject to the jurisdiction of the Commission.

{¶ 3} R.C. 4905.31 authorizes the Commission to approve reasonable arrangements between an electric utility and a mercantile customer. R.C. 4928.01(A)(19) defines "mercantile customer" to mean a commercial or industrial customer that consumes more than 700,000 kilowatt hours of electricity per year for nonresidential use, or the customer is part of a national account involving multiple facilities in one or more states.

{¶ 4} On November 19, 2008, the Cleveland Municipal School District (CMSD) filed an application to establish a reasonable arrangement with CEI for electric service to its facilities located in Cleveland, Ohio. CMSD filed an amended application for a reasonable arrangement on January 29, 2009. Further, CMSD filed, on April 29, 2009, a

second amended application for a reasonable arrangement. Under the second amended application, the reasonable arrangement would terminate on May 31, 2011.

{¶ 5} After the filing of the application for a reasonable arrangement, the Commission issued its Opinion and Order in *In re Ohio Edison Co., The Cleveland Elec. Illum. Co. and Toledo Edison Co.*, Case No. 07-551-EL-AIR, Opinion and Order (Jan. 29, 2009). Among other provisions, the Commission established a school credit rider providing a discount in rates for primary and secondary schools, including primary and secondary schools in the CMSD, effective May 1, 2009. Opinion and Order at 29-30.

III. CONCLUSION

{¶ 6} As the period for the proposed reasonable arrangement ended on May 31, 2011, the Commission finds that the application is moot and should be dismissed.

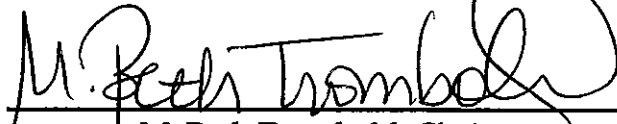

IV. ORDER

{¶ 7} It is, therefore,

{¶ 8} ORDERED, That the application for a reasonable arrangement be dismissed. It is, further,

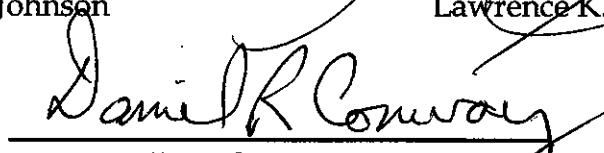

{¶ 9} ORDERED, That a copy of this Entry be served upon all parties of record.
