PUCO Case No. 18-1857-EL-BLN

To: Mr. Joe Demaree - AEP Ohio Project Outreach Specialist

Mr. Demaree:

It appears that I am expected to make contact with you since I have heard no further details regarding how this adjustment on the Carrollton-Sunnyside Transimission Line Rebuild Project is going to effect me and the use of my property.

The initial correspondence for the adjustment did not arrive until AFTER the 10 days following the public notice/filing denying me a voice to the state in this matter.

I need more details on my own land and how you made changes; otherwise I am at the same place on the negotiating table.

Emails are best correspondence at this time. Thank you.

Regards,

Donna Lintner-Clark
