RECEIVED-DOCKETING DIV

We are writing to oppose The Republic Wind Farm (17-2295-EL-BGN), the Emerson Creek Wind Farm (18-1607-EL-BGN) and the Seneca Wind Farm (17-2295-EL-BGN) projects. Our home is located within the proposed area. After researching the issue we feel that there are too many risks to proceed with these projects. Some of our many concerns are for the health of our family and for the impact the wind turbines will have on the environment. We ask that you please take our opinion into consideration.

Yours respectfully,

Matt and Melinda DePolo
