Re. North Star Bluescope Potential Expansion in Delta, Ohio

Dear Chairman Randazzo,

On behalf of Fulton County Processing, we are in support of North Star BlueScope's potential expansion. North Star BlueScope is a valued supplier to Fulton County Processing. The expansion will not only be good for our company, but benefit several other companies in Ohio as North Star Bluescope represents a low cost, high quality source of steel supply for the future.

The Reasonable Arrangement being requested by NSBSL furthers their low cost objective and provides a strong commitment to NW Ohio economic development.

Regards,

  
Jim VanPoppel,

CEO, Fulton County Processing
