Mrs. Barcy McNeal
Commission Secretary
The Public Utilities Commission of Ohio
180 East Broad Street
Columbus, OH 43215

SUBJECT: Case Nos. 19-1039-EL-ATA
89-6008-EL-TRF

Dear Mrs. McNeal:

Pursuant to the Commission's Entry dated February 25, 2015 in Case No. 13-579-AU-ORD and the Order dated September 7, 2016 in Case No. 15-975-EL-ATA (Order), The Toledo Edison Company (TE) is to submit an application on May 1 of each year to update its annual pole attachment rate. While TE is prepared to submit its annual update filing, the Company notes that its revised update filing made on November 29, 2018 remains pending Commission approval in Case No. 18-565-EL-ATA. TE would also note correspondence filed December 10, 2018 by the Ohio Cable Telecommunications Association (OCTA) indicating OCTA's intent to withdraw its pending Application for Rehearing contingent upon Commission approval of TE's pending update filing in Case No. 18-565-EL-ATA.

To avoid potential confusion, TE is awaiting Commission action on its pending update filing in Case No. 18-565-EL-ATA before making its annual update filing in this case and providing the required 60-day notice to affected attaching entities.

Sincerely,

A handwritten signature in black ink that reads "Santino L. Fanelli". The signature is written in a cursive, flowing style.
