Columbus, OH 43215

Dear Chairman Randazzo:

On behalf of the Board of York Township Trustees, I write today to express our support for North Star/BlueScope Steel's reasonable arrangement currently pending before PUCO. As a major employer in Fulton County, North Star makes a significant annual contribution to our local economy. In fact, North Star contributes more than \$49 million annually toward our economy in wages and benefits for its employees, while also paying several million dollars in state and local taxes that support our community. The company also provides generous donations to the local school district, vocational school and many other charitable organizations.

With the approval of this reasonable arrangement, North Star will continue to consider making an investment of more than \$550 million in our community.

We are happy to support this request that is intended to sustain jobs in Fulton County while providing an environmentally sound process. I encourage PUCO to look favorably upon North Star's reasonable arrangement. The addition of \$550 million in capital investment; the additional job creation from this investment will provide substantial benefits for year to come to our region and our state. Thank you for your attention and work on this matter.

Sincerely,

Robert Trowbridge, Trustee Chairman

Trustees: Robert Trowbridge. Thomas Tedrow, Jeffrey Mazurowski
