Subject: Duke Energy Pipeline

Ms. Mertz:

Please reconsider your decision to allow Duke Energy to install a a high volume gas pipeline through residential neighborhoods in Cincinnati. Many people have been killed in pipeline explosions.

Who is listening? Many meetings. No individuals from Sitting Board. Great objection from Communities and Individuals. How does one get the attention of those in charge to make changes in this project? Running through the center of Hamilton County is asinine. Members of the Sitting Board can make a difference or they can let big business run wild.
